

# BOARD OF TRADE WINS FIRST SKIRMISH

## SENATE IN STORMY SESSION VOTES TO POSTPONE HEARING

Galleries Packed With Farmers  
Hostile to Bill--Hisses Greet  
Representative Paxton--Former  
Speaker Shanahan Leads Fight  
For Postponement.

(By The Associated Press.)  
SPRINGFIELD, Ill., May 24.—The Chicago Board of Trade won its first skirmish in the house over the Lantz grain exchange bill today when by a vote of 88 to 46, the board secured postponement of the hearing on the bill until next Tuesday. It was a small but decisive victory.

Galleries were packed by farmers hostile to the Lantz pit bills when the exchange bill was taken up by the house as the committee of the whole. For nearly two hours the house battled over the question of hearing both friends and foes of the measure today or granting the request of Joseph Griffin, president of the board of trade by postponing the hearing.

Mr. Griffin said legislation at Washington required his attention and he asked the house to mark time on the Lantz bill until he returned from the national capital. By its action today the house agreed to give each side two hours for argument next Tuesday.

Hisses Greet Speakers  
Representative Paxton when he said no one man should have the privilege of delaying the house for a week. There was applause for representatives who argued for postponement of the hearing.

Representative Tice, chairman of the committee on agriculture, and Representative Holaday, Republican floor leader, led in the effort to hold the hearing today. Former Speaker Shanahan, Representative Divine, minority leader, Representatives Brennan and Frank Ryan led the successful contest for postponement.

The roll call was taken on Representative O'Grady's motion to table Representative Holaday's motion to start the hearing, and after two hours argument decide whether the hearing should be continued.

### SAYS BOMBING OF CHICAGO FEDERAL BUILDING SOLVED

Chief Fitzmorris Refuses to  
Give Any Details  
However

CHICAGO, May 24.—The bombing of the Chicago federal building two years ago, in which four persons were killed, a score injured and the downtown section of the city thrown into panic has been solved, Chief of Police Charles Fitzmorris announced today.

Chief Fitzmorris refused to give any details but said that Samuel Gibson, I. W. W. leader and organizer of a branch of the engineers' union, was under investigation. Gibson was indicted weeks ago on charges that he was a member of a bomb trust operating in behalf of labor organizations.

The motive behind the bombing of the federal building was sabotage, the chief said. The explosion took place just after the conclusion of the trial of nearly 100 I. W. W. members on the afternoon of September 5, 1918. Gibson was arrested at the time but was released for lack of evidence.

### REPORTED INVASION CAUSES EXCITEMENT

WARSAW, May 23.—The cabinet met in extraordinary session when news was received that a German offensive had begun in Upper Silesia.

Great excitement was caused by dispatches reporting that from 40,000 to 60,000 German regulars were concentrating from three directions upon the industrial district in Upper Silesia in an offensive against the Polish insurgents.

The Polish government, according to reports in diplomatic circles, has taken a strong hand and is doing everything possible to avoid a clash with Germany. It is admitted that the Paris government has exercised some pressure on Poland.

## ECONOMY DRIVE AGAINST NAVAL BILL SHATTERED

Senate Votes to Adopt  
Many Increases as  
Recommended

(By The Associated Press.)  
WASHINGTON, May 24.—The economy drive against the \$495,000,000 naval appropriation bill was shattered in the senate today when many increases recommended by the naval committee were adopted.

By a vote of 45 to 23 the senate adopted a committee amendment providing for a personnel of 120,000 men as against 100,000 authorized by the house. Afterward in quick succession and without demands from the economy advocates for roll calls, committee amendments calling for increases aggregating about \$42,500,000 were approved.

Roll Call Breaks Attack  
The roll call on the navy personnel apparently broke the attack of senators upon increases recommended by the naval committee. The way also was paved for passage of the bill tomorrow or Thursday after prospective adoption of the Borah amendment for a disarmament conference.

Will Contain Office Rooms  
in Addition to Auditorium  
(By The Associated Press.)  
CHICAGO, May 24.—A cathedral twenty-one stories high with offices occupying the space not given to an auditorium and church headquarters will be erected by the Methodists of Chicago on the site of the First Methodist church in the center of the business district. The building, which will cost \$2,500,000, will be a monument to the centenary of the denomination's mission work.

Rising from the roof of the 250-foot building will be a spire 120 feet high with chimneys large enough to dominate loop traffic. Plans for the building have received the approval of the trustees of the first church, it was announced today.

Construction will be started so soon as conditions in the building industry are favorable, it was said, and the building will have a frontage of 180 feet on Clark street and 80 feet on Washington street. The cathedral will be pure French gothic in style and American in general structure.

The auditorium has been designed to accommodate 1,200 persons. All week day activities of the Methodist church here will have their offices in the building, as will the National Boards. Any remaining space will be rented.

### MAY INQUIRE INTO MINING SITUATION

WASHINGTON, May 24.—An inquiry by congress into the situation in the West Virginia-Kentucky border appeared probable tonight upon the introduction by Senator Johnson, Republican, California, of a resolution directing the senate education and labor committee to make such an investigation.

The resolution was referred to that committee which will meet on Thursday to act on the proposal. Senator Kenyon, Republican, Iowa, chairman of the committee later said that while he had not ascertained the views of other members he himself, favored the resolution. Belief that the resolution would be approved by the senate was expressed by Senators Elkins and Sutherland of West Virginia.

Miners, operators and property owners in the district all urged a congressional investigation.

BELIEVE READ MAN IS  
WANTED CRIMINAL  
Shawnee, Okla., May 24.—George Leroy, killed here last Friday night when he was run over by a railroad train is Eugene Leroy wanted at Detroit, Mich., in connection with a sensational trunk murder, according to the belief expressed here tonight by Chief of Police Ira Simms, who says the dead man's description is identical with that of the missing Eugene Leroy. Officers here have communicated with Detroit officials, they said, to find if their assumption is correct.

COMMISSION WILL  
BE SENT TO PANAMA  
Washington, May 24.—A commission will soon be sent to Panama by Secretary Weeks to investigate the entire civil administration of the canal zone and make recommendations as to the reorganization of the present administrative system. The personal of the commission will be part civil and part military and probably will consist of three members. Soon after Secretary Weeks assumed office he announced that he favored an investigation in the canal zone particularly as regards the pay and privileges of civil employees.

KANSAS CITY, Mo., May 24.—Selection of the jury which will try Densel Chester accused of the murder of Miss Florence Barton, a Kansas City society girl was completed here today.

## ANNUAL REPORT OF PRESBYTERIAN SECRETARY MADE

Tells Reasons for Establishing Religious  
Education Work

(By The Associated Press.)  
WINONA LAKE, Ind., May 24.—Discovering that one in every seven of 124,000 college students in American institutions is a Presbyterian, the Presbyterian Church has established religious education work in many university centers of the country, according to the annual report of Dr. Edgar P. Hill, General Secretary of Education to the General Assembly. Dr. Hill's report said in part:

"Education has become a matter of national concern. Technically trained men are essential in developing national resources, in handling economic problems and in furnishing leaders in the event of war; education is also a matter of peculiar importance for the further reason that ideas are recognized as of supreme significance in determining national destinies, and the classroom as the battleground of ideas.

"A conference of representatives from training schools, theological seminaries and of secretaries of the missionary boards of the church revealed that the Presbyterian training schools now operating are utterly inadequate to meet the needs of the church. Certain issues came clearly into the open and the following resolutions were adopted:

"First, That the church shall enlist and train her own lay workers.

"Second, That we record our conviction that there is a growing demand for the work of the lay workers training schools which should be promptly met;

"Third, That these training schools should be affiliated with our theological seminaries wherever possible.

"Fourth, That it is the sense of this meeting that the General board of Education be requested to investigate this whole subject of training of lay workers, and the feasibility of affiliating the training schools which the theological seminaries, and report to another meeting which it will call.

"The rise of American universities is one of the most remarkable chapters in the history of the world's modern educational movements. In 1879 there were 6,000 students in the universities of this country. Ten years later the number had increased to 19,000. In 1890 the student body was 22,000. Today there are 150,000 young men and women in the class rooms of our state educational institutions.

"During the past year a survey was made of 55 of these institutions, and it was discovered that out of an enrollment of 124,416 there were 17,510 who announced themselves as Presbyterians, or one in every seven.

"The Presbyterian Church is now at work in more than 40 of these university centers.

"Almost without exception our 57 Presbyterian colleges and academies report an increased enrollment this year. Over 2,000 students were turned away from our institutions last fall because there was no room for them. The greatest numbers were refused by those colleges that offer opportunities for self-help. One such college had to deny admission to 179 applicants."

EVIDENCE IS  
NOT SUFFICIENT  
NEW YORK, May 24.—Insufficient evidence has been found against Giuseppe De Filippis, charged with complicity in the Wall street bomb explosion to warrant presentation of the case before the state courts, Assistant District Attorney Deneen said today.

De Filippis is held by federal authorities on the technical charge of destroying government property. Five persons are said by federal officers to have identified him as the driver of the death wagon, three persons making positive identification.

Unless more definite evidence is obtained, Mr. Deneen said, no action will be taken by the state.

BRITISH INFANTRY  
IS UNDER ORDERS  
London, May 24.—A force of four battalions of British infantry is under orders to proceed to Upper Silesia from the Rhine and it is contemplated if possible to increase this force, Austen Chamberlain, the government spokesman announced in the house of commons today.

## INDEPENDENCE IN THOUGHT IS PLEA OF TEXAS WOMAN

Says It Was Mistake to Make  
League and Treaty Party  
Matter

(By The Associated Press.)  
CHICAGO, May 27.—An appeal for independent thought upon national questions was made by Mrs. Percy V. Pennybacker of Texas, former president of the National Federation of Women's clubs, in an address tonight before the 26th annual convention of the Illinois Federation of Women's clubs.

"Women have a great responsibility in guiding the talk about the family circle," she said. "The responsibility of disseminating the right angle of thought upon vital questions rests largely with women. There is no better place to launch a great movement than about the dinner table.

There is a general desire on the part of men the country over to know the view that women will finally take in regard to forming party lines. Every government logically should have a liberal and a conservative party; such a division in America will give us the issues we need.

"Some women resent the fact that certain matters have been dragged into the political mire that should be forever free from such entanglements. I unhesitatingly say that the majority of women felt it was a fatal mistake to make the peace treaty and the league a party matter.

"There is a general complaint that young people of America lack reverence for those in authority yet how many parents seem to do all in their power to cultivate this lack of reverence. In fireside discussions of public affairs we indulge in the most bitter of personalities against our public officials from the president down to the constable.

What do you suppose the children conceive of the majesty of the law when they hear the supreme court decided and charged with corruption and the president of the United States accused of every crime on the calendar?"

In closing Mrs. Pennybacker appealed for the celebration of the fourth of July as a citizenship day in accordance with the plan of the national federation of women's clubs.

## MAYFLOWER IS NEARING HOME

WASHINGTON, May 24.—The Presidential yacht, Mayflower, with President and Mrs. Harding and guests aboard on the return trip from New York reported late tonight that she was between the Virginia Capes and was proceeding up Chesapeake bay on the final leg of her run to Washington. She is expected here about 8 o'clock tomorrow morning.

Upon his return the president is to plunge into a mass of work which has accumulated during his three days' absence. The emergency tariff bill, which was agreed to by the house after his departure, will be among the first measures to receive his study.

## MILWAUKEE MAN HEADS COLLEGE

SPRINGFIELD, Ill., May 24.—Rev. Henry Grueber of Trinity Lutheran church, Milwaukee, Wis., was today elected to the presidency of Concordia College, this city.

Professor Louis Wessel, acting president, who has been connected with the college for 29 years, declined to accept the office permanently. He has built up the English theological department and leaders in the Lutheran synod had expressed themselves as loathe to see him relinquish it. The board of directors passed a vote of thanks to Professor Wessel for the manner in which he has conducted the college affairs. He will remain in charge until next September.

PRESBYTERIANS WILL  
MEET AT DES MOINES  
Winona Lake, Ind., May 24.—Condemnation of immoral moving pictures, approval of the Volstead prohibition enforcing act and support of federal action to curb the divorce evil, were contained in resolutions approved today by the 133rd general assembly of the Presbyterian church in the United States of America.

The assembly today also elected the Rev. Louis Seymour Mudge, of Harrisburg, Pa., as stated clerk and selected Des Moines, Iowa as the next meeting place.

WILL REDUCE RATES ON  
CERTAIN COMMODITIES  
Chicago, May 24.—Reductions of freight rates on certain commodities approximating 20 per cent has been decided upon by all transcontinental railroads west of Chicago. It was announced today by G. W. Luce, freight traffic manager of the Southern Pacific.

## DUNLAP STATE POLICE BILL IS "BURIED ALIVE"

Senate After All Day  
Fight Postpones Action on Bill

(By The Associated Press.)  
SPRINGFIELD, Ill., May 24.—The Dunlap State Police Bill was "buried alive" by the senate tonight.

After a battle which lasted all day the senate virtually killed the measure when by a vote of 27 to 21 final consideration was postponed until the house acts on the Castle bill, a duplicate of the senate measure.

Senator Dunlap declared before the roll call that postponement practically meant defeat. "It is just a question of whether you will put the bill to a fair and square vote or on a subterfuge," he said.

Castle Bill Tied Up  
The Castle bill is tied up in the house committee on efficiency and economy. Efforts by Representative Castle to get it out have been futile. Proponents of the measure are expected to divert their energy to the house in a final effort to secure passage of the constabulary measure.

Postponement of consideration of the Dunlap bill was made on a motion by Senator Dailey of Peoria. The vote follows:

For postponement:  
Republicans—Bardill, Burr, Dailey, Essington, Ettelson, Forrester, Hamilton, Hanson, Jewell, Kessinger, Marks, Mills, Schultze, N. E. Smith, O. W. Smith, Sheed, Spence, Telford, VanLent and Wood—20.

Democrats—Boehm, Broderick, Carroll, Denver, Herlihy, Hughes and Sullivan—7.

Against postponement:  
Republicans—Austin, Bailey, Barbour, Buck, Carlson, Clark, Cornwell, Cuthbertson, Dunlap, Gray, Hicks, Lantz, MacMurray, Meents, Previer, Roos, Sadler, Swift, Turnbaugh, Wheeler and Wright—21.

## ATTACKS ARE MADE ON BELFAST VOTERS

Anti-Partition Voters are Beaten  
and One Seriously Stabbed—  
Terrorism Prevails Throughout  
District.

(By The Associated Press.)  
London, May 24.—Attacks were made at one of the Belfast booths today on anti-partition voters, according to advices to the Star. Several persons were stabbed and beaten, one so seriously that he is unconscious in the hospital. Two policemen who came to their assistance also were injured. Many of the voters had to be rescued from their assailants by armored cars.

Similar attacks with stones and bottles were made in another street booth as well as in the Ballymacarrett district and the whole section became the scene of terrorism and intimidation, which completely deterred the voters from attempting to register their votes.

## PRESBYTERIANS CONDEMN FIGHT

WINONA LAKE, Ind., May 24.—Condemnation of the "coming pugilistic mill in Jersey City, N. J., July 2, was expressed in resolutions passed today by the 133rd general assembly of the Presbyterian church in the United States of America.

The resolution presented by the assembly's board of temperance and moral welfare, approving the Volstead act, expressing regret over the dismissal of a large number of prohibition enforcement agents, urging a nationwide campaign for federal censorship of moving pictures and federal enactment of uniform marriage and divorce laws did not pass until an amendment regarding the Dempsey-Carpentier fight had been inserted.

## MANY SORE HEADS IN BELFAST AFTER ELECTION

Belfast, May 24.—The whole of Ulster, which has been seething with excitement all day over the election of candidates to the new parliament is a regular babel this evening, with extreme tension in some quarters. From early morning it has been the task of the workers of the unionists, nationalists and Sinn Feiners to get every one of their supporters to the polls with the result that there has been an unprecedented haranguing of voters, raising passions to fever heat.

Many residents are nursing sore heads tonight, while the police, reinforced by black and tans and soldiers in armored cars, are in possession of the streets.

## WITNESSES IN GRAFT PROBE THREATENED DEATH AND VIOLENCE

Assistant State's Attorney Says That They  
Are Told That Slugging Gangs Will Be  
Turned Loose If They Don't Shut Up—  
Will Appeal to the Police for Protection

(By The Associated Press.)  
CHICAGO, May 24.—Threats of death and violence against witnesses who have testified or been summoned before the Dailey joint legislative committee and the special grand jury investigating building conditions here are being made by labor leaders in an effort to stem the tide of evidence against them, Joseph B. Fleming, counsel for the committee, and George E. Gorman, assistant state's attorney in charge of the grand jury, announced today.

The labor men, Mr. Fleming said, have warned witnesses that their slugging gangs would be turned loose if they did not "shut up." The union agents, according to Mr. Gorman, invaded the county building today where the investigation is being conducted and attempted to intimidate witnesses on their way to testify before the grand jury. Mr. Gorman announced that he would appeal for police protection for the witnesses.

"We are dealing with a desperate lot of men," he said, "and I am laying this matter before the police."

It is astounding that these business agents should be permitted to loiter about the corridors in the very building where we are gathering evidence against them.

"Hardly a witness appears who has not been approached.

Threaten to Blow Up Home  
"One witness who came before us a few days ago testified that he was approached in the union station just after he had arrived in town and was informed his home would be blown up if he testified."

Mr. Fleming announced that indictments would be sought against labor leaders who are said to have attempted to intimidate witnesses. Notwithstanding the threats the grand jury and the Dailey committee went ahead with their work today. The grand jury returned an indictment against Joseph Moreesch, president of the Hod Carriers and Building Laborers' Union and prepared to start an investigation of alleged graft in connection with the erection of a large hotel recently.

Moreesch was indicted after Henry Wade Nelson, of Mellon, Stuart & Nelson, Pittsburgh contractors, had testified that he had paid the labor leader \$2,000 on November 25, 1919, to settle a strike which halted work on the Chicago & Alton railway freight depot here.

George E. Gorman, assistant state's attorney, in charge of the investigation of graft in connection with the recently constructed hotel, said today that the Dailey committee and the grand jury had received hundreds of letters revealing information.

"Most of them are anonymous," he said. "The writers name certain men but fear to tell their own names because of what might happen to them."

## DISCUSS INQUIRY'S SCOPE

(By The Associated Press.)  
WASHINGTON, May 24.—The senate privileges and elections committee decided unanimously today to press its investigation into the charges of Henry Ford that Senator Newberry of Michigan had obtained his election in 1918 by improper methods. The subcommittee in charge of the investigation then went into executive session.

After the executive meeting Chairman Spencer of the subcommittee announced that attorneys both for Henry Ford and for the Michigan senator would be summoned to Washington Friday when his committee would determine what evidence to take, the procedure and the scope of the inquiry.

Discuss Inquiry's Scope  
Senator Townsend, Republican, Michigan, appeared before the full committee and election committee at the session which preceded the subcommittee's meeting to urge that the investigation be confined to the scope of the evidence taken in the criminal prosecution brought against Senator Newberry by the federal government, which resulted in the supreme court's decision declaring unconstitutional the law under which a conviction was reached.

William Lucking, counsel for Ford, was called before the subcommittee in executive session and later declared that Mr. Ford desired to present evidence going outside of that used in the criminal case which he said "merely scratched the surface."

## SID HATFIELD FURNISHES BAIL

WILLIAMSON, W. Va., May 24.—Sid Hatfield, former chief of police of Matewan, W. Va., appeared in court to answer to a charge of assault. He is charged with assaulting P. J. Smith, superintendent of the Stone Mountain coal corporation at Matewan. Fire, believed by the authorities to have been the work of incendiaries destroyed the store of the Lynn Coal and Coke corporation at Lynn, W. Va., today. The loss was estimated at from \$10,000 to \$15,000, officials of the Williamson Coal Operators' association said. The fire was the only outward act reported from the trouble zone along the West Virginia-Kentucky border.

## WILL LAY OFF 500 RAILWAY SHOP WORKERS

Winona, Minn., May 24.—More than 500 employees in the mechanical and car departments of the Chicago & Northwestern railway shops here will be laid off Saturday, it was announced today by Master Mechanic Charles Coleman. The duration of the layoff is indefinite. Mr. Coleman said that the order came from Chicago and is applicable to the entire system.

## WEATHER REPORT

ILLINOIS: Unsettled Wednesday and Thursday; probably local thundershowers; cooler in north and central portions Wednesday.

FAREWELL TO THE STATE BILL

The vote in the senate on the state police bill affords sufficient proof that the bill is dead so far as its possible passage by the present general assembly. The question is as to whether the bill was killed by organized labor opposition or by the unfriendliness of those who believe that one of the principal effects of the bill would be to increase tax burdens.

THE GRAIN BILLS

Opponents of the Lantz bill in the house yesterday won a temporary victory by having the hearing continued to next Tuesday. This action is not decisive but does forecast the likelihood of the bill traveling a much more difficult road in the house than it had in the senate.

It was noticeable at the hearing yesterday that there were many farmers present to express their opposition to the bill, so that the legislators were given opportunity to know that the agriculturalists are not presenting a solid front in advocacy of the bills which place the board of trade under the department of agriculture and prevent future trading in grain.

LOOKING SQUARELY

At the Chamber of Commerce luncheon yesterday the out of town speaker, expected was unable to be present, so a number of local business men made up a symposium of speakers who discussed various phases of the present campaign for Chamber of Commerce reorganization.

With all respect to the expected speaker, it is probable that the assembly had a more forceful program than would have been true had he arrived. Each one of these business men made an inspirational talk, not dealing in generalities, not using the "flag waving" type of oratory, but

pointing out practical reasons why a Chamber of Commerce is needed in Jacksonville and why the present plan affords opportunities for greater service than has been possible under the former systems of organization and operation.

Chairman Rowe gave some census facts about Alton, Belleville, Decatur and some other Illinois cities which furnished real food for reflection. The figures and comment made men in the company wonder as to just the reasons why Jacksonville has not had the percentage of growth shown in a number of cities similarly located and with no apparent overshadowing advantages. It would have been a good thing had every Jacksonville business man attended yesterday's luncheon.

THE CONFIDENCE OF FRIENDS

Judge Chipfield of Canton, Republican candidate for supreme court in this district, is seeking office on the basis of fitness and experience. He has been a successful practitioner for about 15 years and his experience has been of a general kind that qualifies for judicial duties. In addition to experience Judge Chipfield is known as a lawyer with a judicial mind—a qualification of fine importance in considering a man for the highest court in the state.

One of the best things that can be said about the Canton man is the fact that those who have known him most intimately for the longest period are his greatest admirers—men and women who have the most confidence in his ability to satisfactorily meet the demands of supreme court membership.

CITY FINANCE A BIG QUESTION

The city council will devote an early session to the consideration of finances. It has been necessary for the present administration to anticipate taxes each year following the custom established here long ago, and in vogue in practically all cities. It is realized that this is an unfortunate practice but it is a necessity until the day can come when the city has sufficient income to make possible doing business on a cash basis.

It is not the thought of the council that any plan can be devised whereby anticipation can be done away with immediately but it is the thought that by making finances the special order of business that there will be resulting benefits tending toward economy and efficiency.

WINCHESTER GIRL IS CHICAGO MAN'S BRIDE

Miss Vivian Grengle and Carl E. Larson are united in marriage Tuesday Afternoon — Other News Items of Interest from Winchester.

Winchester, May 24. — The marriage of Miss Marinda Vivian Grengle to Mr. Carl Frederick Larson of Chicago occurred Tuesday afternoon at 1 o'clock at the home of the bride's parents, Dr. and Mrs. Geo. Grengle, Rev. Carl Corrie of the Methodist church performed the ceremony in the presence of a few relatives and intimate friends.

Mrs. Larson was born and reared in Winchester and graduated from the Winchester high school. Later she studied music at Knox college and from there went to Chicago and for the past few years has conducted a studio in that city. Mrs. Larson is one of Winchester's most popular young women and is greatly admired by many. Of genial and pleasant manner, she has made scores of friends wherever she has resided. Altho she has been away from Winchester for some time she will nevertheless be greatly missed by her friends here.

Mr. Larson is not well known in Winchester but is greatly admired by those who have met him. He holds a responsible position with a well known Chicago firm.

The bride and groom will be at home to their friends after September 1, in Chicago. They have the congratulations and best wishes of a host of friends.

Mrs. Amanda Barnes and sister, Miss Hawk, have sold the transient hotel to Mr. and Mrs. Artie Smith. Mr. and Mrs. Holaday, who have had charge of the hotel for many months past, have given very good satisfaction and will be greatly missed by their patrons. They expect to remove in the near future to property that was recently vacated by Gus Peterson.

Mr. and Mrs. Gus Peterson have removed to Bloomfield, where they have purchased the store and home of John Terrall. Their many friends hope for their success in their new home, altho regretting that they are no longer to reside in Winchester.

Rev. George W. Murray of Quincy is here for a visit with relatives.

The two English classes of the high school went to Jacksonville Tuesday evening to attend "Midsummer Night's Dream", chaperoned by Miss Lois Coultas and Mr. Glenn Dunbar of the faculty.

Mrs. George Hodgkinson and two children of Springfield are visiting relatives here.

Thomas Collins, who has been ill at the home of Mr. and Mrs. Peter Burns, was taken to Our Savior's hospital in Jacksonville Tuesday morning.

Members of the American Legion will give a dance at their hall, Friday, May 27.

I will offer for the next ten days the famous New Century Cultivator at greatly reduced price. Better see this cultivator before you buy. W. E. MURRY Litterberry, Ill. 5t

RETURNS L-OM

SUPREME CAMP Mrs. Alfred Larson has returned from Cleveland, Ohio, where she attended the sessions of the Supreme Camp of the Royal Neighbors of America. Mrs. Larson was one of the state delegates Illinois being entitled to seventy-seven, the largest number of any state in the union. The sessions were held in Hotel Statler and proved of much interest to the delegates.

THE HONEY BEE

(BY ENSLEY MOORE) Member Illinois State Historical Society

In last week's article quotation was made from the Rev. James Calanec's "Western Skotch-Beck", regarding honey bees in the early settlement of the West. As stated last week, Mr. Gallaher noted much more than could be used.

He also said: "Enough has been said to show that this notable fact in the history of western emigration is a clear manifestation of the hand of God. And not only so, but it is a dispensation of great kindness to the people, many of whom are found among the frontier emigrants. I have seen very pious people sending out their children to collect this honey and the honeycomb. The comb yielded the beeswax, a valuable commodity. The honey also was an important article in the commerce of the country. The Westerners bore these articles to New Orleans, where they were sold or exchanged for the benefit of the families in the frontier settlements. Many families were thus made comfortable, who, without such provision in Divine Providence, must have felt the pinchings of want. Often has the Western minister expatiated on these themes. Often has he reminded the people that Jehovah is a covenant keeping God, that he 'keepeth covenant and mercy with them that love him' (a thousand generations); that the temporal as well as the spiritual wants of His people are objects of His care. And as he scattered the manna over the face of the wilderness before His ancient church, so now He is mindful of His covenant. He giveth bread to the hungry, and the redeemed of the Lord have abundant reason to say that his mercy endureth forever."

The Quails

"There are persons now living in Illinois, in Missouri, in Iowa, and in Wisconsin, who arrived there before there was a quail in the country. But soon after the Anglo-Americans had pitched their tents in the land, the quails came around them by thousands and by tens of thousands. Why is this? From whence do they originate? It is the hand of God. I will mention one great purpose that is answered by the quail. It

strikes dumb the lips of pride. He who wishes not to see the hand of God, will say the bees that go before the wave of American population proceed from domesticated bees among the settlers, altho the vastness of their multitude, and notable facts like that at Nashville, utterly refute the theory. But where the skeptic can find even the shadow of an argument against the hand of God, he will, like Pharaoh of old, harden his heart. But ask him 'from whence come the quails?' From domesticated quails? He is dumb. The fact is you cannot tame a quail. At least I have known some very thorough experiments, which resulted in total failure, and believe that the quail is generally regarded as incapable of domestication. Should anyone say the quails feed on the farmer's grain—his corn and his wheat—and therefore they follow the American emigrants, I answer that this does not touch the mystery; because the prairie hen, or American grouse, the wild goose, and the crane, are just as fond of corn as the quails—perhaps more so. But these birds are all over the face of the wilderness, and live independent of the cultivated fields of the white man. Yet when the farmer comes near their wild abode x x x You will see the prairie hen, the wild goose, the crane, clustering around the corn stacks, and manifesting far more greediness for grain than you ever see exhibited by the quail. The mystery is not touched. Whence comes the quail? "Ascertain from whence the hornets came, that went before the standard of Israel; x x from whence the quails came, that fell around their camp; and then you will have no difficulty in understanding the phenomena that now precede and accompany the standard of Zion. x x x God's church is in that moving multitude which is pressing westward. The ark of His covenant is there. And now, as in ancient times, His church is 'engraven on the palms of His hands.' You can account for the above mentioned facts, just as you can account for the sea giving up its dead at the sound of the last trumpet. It is the hand of God."

SIGMA PI TO HAVE OPEN MEETING

Excellent Program Arranged for Session to be Held Tonight

Members past and present of Sigma Pi society are looking forward with interest to the annual open meeting which will be held tonight. A program of great excellence has been arranged. The following will be the program: Declaimers—Floyd Lashmet, "The Song of the Snow Bird." B. J. Frazer, "A Bit of Illuminated History." Essayists—John Badger, "The Advantage of a Polite Education." J. O. Cully, "Evolution."

Extemporizer—Carlyle Antrobus. Debate—"Resolved, that Japan's Immigration to the United States Should Be Prohibited." Affirmative, Eugene Melion, L. P. Ferreira. Negative, Clarence Webber, Worthington Adams.

GIRLS WANTED To Wrap Butter SWIFT & CO.

TWO ENTERED PLEAS OF GUILTY

Before Judge Jones in the circuit court Tuesday George Northcott charged with forgery, entered a plea of guilty. He made application for release on probation and the matter was referred to the probation officer for investigation.

Harold Scott, who is charged with burglary, also entered a plea of guilty. His application for release on probation was also referred to the probation officer.

Sigma Pi open meeting to-night at 8 o'clock.

COMMITTEE TO MEET

A meeting of the full committee arranging for observance of Decoration day will be held at 7 o'clock this evening at the office of Dr. A. B. Applebee, just west of the court house. A full attendance is requested.

Home Grown Strawberries 25c Qt. Shop-Aid.

ADMINISTRATOR'S NOTICE

Estate of William Pierman, deceased.

The undersigned, having been appointed Administratrix of the estate of William T. Pierman late of the County of Morgan and State of Illinois, hereby give notice that they will appear before the County Court of Morgan County, at the Court House in Jacksonville, at the July term on the first Monday in July next, at which time all persons having claims against said estate are notified and requested to attend for the purpose of having the same adjusted.

All persons indebted to said estate are requested to make immediate payment to the undersigned. Dated this 9th day of May, A. D. 1921.

Catherine M. Pierman, L. Mae Collins, Administratrices.

Carl E. Robinson, Attorney.

Dock Yourself

A Dollar A Week

If your salary was reduced a dollar a week, you would manage to get along just the same. You would simply be a little more careful in spending.

Just play that your salary has been cut a dollar a week and put that extra dollar in the bank. Fifty two dollars a year added to your savings, together with the interest we pay, will soon make a substantial sum.

Frank Lonergan and family spent Sunday with John Lonergan in Jacksonville.

Edwin Sooy and family and Mrs. Henry called on C. E. Lonergan and family Sunday evening.

Art Lonergan and family spent Sunday evening with Mr. and Mrs. Frank Lonergan and children.

Grover Whitlock and wife called on Mr. and Mrs. Mac Sheppard Sunday evening.

Kenneth Rousey of Jacksonville visited his grandparents from Monday until Sunday.

## THREE HUNDRED MARK PASSED BY C. OF C.

Good Reports Made on Membership Drive at Luncheon Wednesday—Local Business Men Made Talks.

The enthusiasm of the team workers gathered at the Pacific hotel yesterday noon to make their reports seemed to have not abated any. The memberships secured for the second day of the drive were ninety-four. This is a total of three hundred five for the first two days of the drive and this is a fine start on the goal of five hundred members. With three days of the drive yet to go there is reason to feel optimistic as to the outcome.

Several of the prominent citizens showed intense interest and cooperation as they expressed themselves freely during the luncheon hour yesterday.

Chairman Richard Rowe cited several instances where cities in Illinois and adjoining states had increased very materially in population during the last decade asking why should Jacksonville not have done likewise for it has equally and in many instances better facilities for growth. Mr. Rowe's final thought was that there was great necessity of getting together, thinking together, and working together for the community as a whole.

H. M. Capps, T. M. Tomlinson, Henry Frisch, Earl Spink and Mayor Crabtree gave short talks all of which placed emphasis upon the need for a modern Chamber of Commerce, that would be broad enough in its activities to represent all classes and interests.

Mayor Crabtree, after stating that he had been informed in the office of the Illinois State Chamber of Commerce that the American City Bureau was the only organization that really understood the modern methods of building an efficient working Chamber of Commerce, showed wherein the Chamber of Commerce in Jacksonville could be of untold assistance in solving the many community problems that must have first the support of public opinion. "This a modern Chamber of Commerce with the thinking citizens of the community could do," Mayor Crabtree said.

Below are listed the additional members who are making it possible for Jacksonville to have a modern Chamber of Commerce:

**ATTENTION ELKS!**  
Regular meeting B. P. O. E. No. 682 will be held Wednesday, May 25, at 8:00 P. M. Initiation. Election of directors. Large attendance desired.

P. D. Moriarty, E. R. E. P. Alexander, Secretary.

**50 good cigarettes for 10c from one sack of**

**GENUINE "BULL" DURHAM TOBACCO**

**Never Pinch Out Blackheads**

**Dissolve Them With Nerosin.**

There is only one preparation sold exclusively for the instant removal of blackheads without pinching or squeezing the flesh, and that is Nerosin. Try this powder (not a cream) on your face tonight and see how quickly the blackheads are dissolved. Nerosin powder in original package is to be found at any drug store and a package will last for some time.

**If Wrinkles Are Coming Try This Home Made Cream**

The skin can be brought back to its original plumpness and vigor by the following formula. An astonishing result is the quick disappearance of wrinkles, little and big crows' feet, and lines of age. It is simple and can be prepared in a few moments, by adding to half a pint of water one tablespoonful of glycerine and two ounces of eriol, obtained from your druggist. This takes years from your appearance, and is always sure and positive in its work if you will apply it liberally every day.

**And If the Hair Is Thinning**

Strengthening and enlarging the roots of the hair is one of the real secrets of forcing hair to grow, something which has heretofore not been fully realized. Merely stimulating the surface tissue of the scalp will not stimulate the hair growth to the extent desired. It is the new method just mentioned hair can be forced to grow several inches a month. Hair will stop falling as if by magic. The new vigor of the hair will be quickly noticed, and all bald spots will be soon entirely filled out with new growth. This can all be easily obtained by the simple use of beta-quinol, which can be secured at any drug store in the original one-ounce package. This can be mixed at home with a half pint of bay rum and a half pint of water, or with witch hazel, if you prefer. It contains no oil whatever.

## High Grade White Cloth Oxfords

\$3.95 and \$4.95

If we wanted to we could sell you white canvas oxfords and pumps for \$1.50 a pair. But our customers know that we are not selling that kind of shoes. Our customers want the very finest that there is in footwear without paying a fancy price for it. And we have certainly satisfied that demand this season with the elegant line of high grade white cloth oxfords that we are retailing at \$3.95 and \$4.45.

If you buy your footwear with "quality first" in mind these oxfords will interest you.

We also have a complete line of strap slippers and pumps reasonably priced.

## WHO WOULD WANT TO LIVE IN ZION CITY?

No Low Necked Dresses, No Transparent Waists, No Silk Stockings—Violators of Sabbath Also in for Rough Going.

Zion City, Ill., May 24.—The authorities here have decided upon a new method whereby they hope to enforce their rulings against certain styles in women's apparel and violations of their laws for observance of the Sabbath, it became known today. Chief of Police C. C. Becker has sent to every home in Zion City a copy of the latest regulations regarding the subjects in question and had divided the city into districts with one person in every district appointed to report weekly on conditions.

The latest regulations include the following:

No low necked gowns for women.

No silk stockings, no transparent waists or gowns, the length of women's skirts to be left to discretion of the officers.

A ban on swearing, Sunday games and on meetings on Sunday, other than those for religious purposes also has been ordered by Chief Becker.

The regulations also prohibit women from straddling a horse while riding in Zion City, and they may not ride a motorcycle except in a side car.

Violators of the regulations are to be punished by fines of \$50 to \$200, according to the gravity of the offense.

## STRIKES SPREADING IN PETROGRAD

Riga, May 24.—Independent advice received here from Petrograd confirm reports that the strikes in that city are spreading and that the Echeke, or Bolsheviki "inquisition" seems to be powerless.

## FRUIT

We picked up a small shipment of California canned fruit.

Will put same on sale as long as they last. Look the list over—Act quickly—as they can't last long.

## REPUBLICANS WILL TAKE UP RESOLUTION

Set June 1 As Time to Consider Resolution of Representative Longworth.

(By The Associated Press)

Washington, May 24.—A meeting of house Republicans was called today for June 1 to consider the Longworth resolution which would authorize the ways and means committee to make import duties proposed in the permanent tariff bill effective immediately upon its introduction.

Decision to place the question before the full party membership was reached by the Republican steering committee, it is understood, because it was felt the issue was too important to be determined by seven men.

There has been no intimation from members generally as to their attitude on the question, although reports have been current that some party opposition to the measure was to be expected.

Republican leaders said today they took it for granted that Democrats would line-up almost solidly against the resolution.

In presenting the resolution Mr. Longworth, speaking for the committee declared that as it would take considerable time to pass the tariff bill, the country meanwhile would be flooded with foreign products, eager to slip in before higher rates were made effective.

## GO TO THE DEVIL

DECLARE END OF WAR WITH GERMANY

Berlin, May 23.—The agreement signed by representatives of Germany and China in Peking Friday last declaring an end to the state of war between the two countries and re-establishing diplomatic and commercial relations, probably will be presented to the reichstag and the Chinese parliament ratify it which probably will be done immediately.

## SIR AUCLAND GEDDES ECHOES THE PRESIDENT

Says We Must Not Forget the Evil of War—Must Also Be Willing to Give and Take.

(By The Associated Press)

New York, May 24.—President Harding's utterances against war were echoed tonight by Sir Auckland Geddes, British ambassador to the United States, at the annual empire day dinner of the British schools and universities club of New York.

"We must not forget the evil of war," Sir Auckland said. "Let us resolve, as the president said yesterday that it must not be again. Another war cannot be waged without horrors indescribable. New weapons have been devised, among them bacteria to spread disease, too horrible to contemplate. It must not be."

"Do not let us forget the awful cost of war, or its horrors," he continued. "But let us also not forget that the price of eternal freedom is eternal watchfulness, and let us not drowse in the watchtower. It is drowsiness in the watchtower which is responsible for war."

### Willing to Give and Take

"We must apply to internal relations the spirit of the game. We must be willing to give and take, knowing that everything cannot come our way, that the other fellow has his rights, not forgetting the need to maintain watchfulness. Between our two nations speaking the same language and with the same ideals, there is the best chance in the world to bring about complete sympathy, complete understanding and complete friendship."

"And I will ask you all to remember that understanding, that friendship is not the business of any one individual, but is the business of everyone who is resolved that war shall not occur again; that there will be no war if human ingenuity and good feeling can prevent it. And they can prevent it, and they must."

## MADAME CURIE N RECEIVES MORE HONORS

Philadelphia, May 24.—More honors were bestowed today upon Madame Curie, with her husband discovered radium and whose other scientific achievements include the isolation of polonium.

The woman scientist visited the works of the Welsbach Company at Gloucester, N. J., where she was presented with fifty milligrams of mesothorium, a rare chemical. She also visited Bryn Mawr where Dr. M. Carey Thomas, president announced that the women of America had not only raised \$100,000 to purchase a gram of radium for Madame Curie, but that \$42,000 additional had been raised to equip a laboratory, if she would consent to accept it for that purpose.

Madame Curie tonight was given a seat as a member of the American Philosophical Society and presented with the John Scott medal and \$800 for scientific achievements.

## GO TO THE DEVIL PROBABLE AMBASSADOR TO UNITED STATES

Berlin, May 24.—Dr. William Solf, at present German ambassador in Tokyo now is most prominently mentioned as the new German ambassador to the United States. He was minister of foreign affairs when the armistice was signed and belongs to the right wing of the Democratic party.

Dr. Solf is a famous orientalist, 59 years old, and formerly was minister for the colonies. He was governor of Samoa and served many years in Calcutta. He is an authority on Hindustan and other oriental languages concerning which he has written several books.

## GREAT NORTHERN TO CLOSE SHOPS

St. Paul, Minn., May 24.—Headquarters of the Great Northern Railway here today announced that every shop on its system, except two, will be closed from May 27 to July 5. More than 6,000 men will be affected. Light traffic is the reason for the shutdown, it was stated at the railway offices.

## VIOLATOR OF LIQUOR LAW IS PAROLED

Chicagoan Sentenced Last November by Judge Landis Gets Home

(By The Associated Press)

CHICAGO, May 24.—Charles M. Sommers, proprietor of the Birchmont Hotel and St. James Grill who was sentenced on November 1, 1920 by Federal Judge Landis to 15 months in the federal penitentiary and fined \$1,000 for violation of the prohibition law, has been paroled, it was learned today when he arrived in Chicago.

He was released from the Leavenworth, Kans., penitentiary on Monday by the prison parole board, he said.

Sommers was the first owner of a large cafe to be sentenced here for whiskey sales after the prohibition act became effective. He pleaded guilty at his trial to a charge of having transported large amounts of whiskey from the Birchmont to the St. James where it was sold thru porters and bell boys.

## SEVERAL KILLED IN BUENOS AIRES RIOTING

Labor Troubles Cause Fighting in Port Zone—Fighting Continues Thruout Afternoon.

(By The Associated Press)

Buenos Aires, May 24.—A number of persons are reported to have been killed or wounded during fighting today in the Port zone when union laborers attempted to prevent a non-union worker from unloading ships.

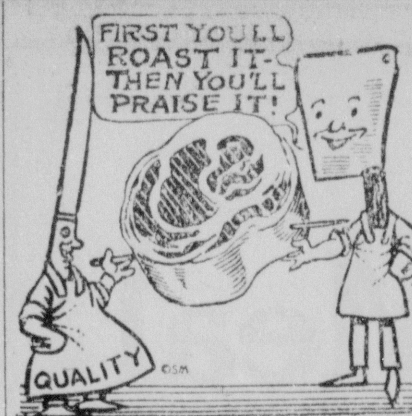

Revolvers were used during the fighting and firing continued this afternoon. According to officials of the Labor Protective association which sent the non-union men into the port zone on the basis of government guarantees that free labor would not be excluded in unloading ships the police did not interfere in the fighting.

Late this afternoon the association sent a committee to the government authorities demanding protection for the non-union workers.

## PROPOSE REDUCTION IN SUGAR RATES

Washington, May 24.—Tariffs proposing reductions in rates on sugar from the Pacific Coast to territory as far east as Chicago, amounting to from seven to 12 1/2 cents a hundred pounds were filed today with the interstate commerce commission by the transcontinental lines.

Lewisburg, W. Va., May 24.—Six Baldwin-Fels detectives, indicted in connection with the deaths of three persons who were killed at the battle of Matewan, W. Va., more than a year ago, were found not guilty by a jury in circuit court here today.

Our meats are being roasted by many happy housewives in this community. Our choice viands are being praised by the pleased food lovers who patronize us.

"LORAIN" OVEN HEAT REGULATOR

Special Showing Now of

Clark-Jewel Gas Ranges  
With Lorain Oven Heat Regulator

Even the most skillful cooks have occasional failures in baking. This is due to lack of means for setting and controlling definite oven temperatures.

You must have the right oven to insure successful baking.

The "Lorain" Oven Heat Regulator gives you exact oven temperatures. By a simple turn of the "Lorain" wheel you can have your choice of any of 44 oven temperatures covering the entire range of baking heats.

Setting the "Lorain" is as easy as turning a door knob. Once you have set the wheel the heat of the oven will not vary during the entire cooking period, or until you change the set of the wheel.

"Lorain" takes the uncertainty and guesswork out of oven cooking. It banishes "unlucky" bakings.

"Lorain" also makes possible WHOLE MEAL COOKING IN THE OVEN, freeing you of the necessity of hanging for hours over a hot stove watching the pots boil. Come in and let us show you the "Lorain"-equipped Clark Jewel Gas Ranges. Get the book "An Easier Day's Work." It tells all about "Lorain" cooking.

## SOVIET RUSSIA IS LIKE MADHOUSE

American Woman Tells of Conditions There—Speaks Especially of Their Marriage Laws.

Constantinople—By The Associated Press.—Mrs. Anna Kaiser of Philadelphia, who recently arrived here after having been allowed to leave Odessa as a British subject says that in leaving that city she felt as if she were escaping from a madhouse. Odessa now is ruled by the Bolsheviks. Mrs. Kaiser is the widow of Eli Kaiser, formerly of Philadelphia who died in Odessa and she is the daughter of Mrs. B. W. Wiler of 1355 North Irving Avenue, Chicago, to whose home she is going to return.

## A TEXAS WONDER

For kidney and bladder troubles, gravel, weak and lame back, rheumatism and irregularities of the kidneys. If not sold by your druggist, by mail, \$1.25. Small bottle often cures. Send for sworn testimonials. Dr. E. W. Hall, 2926 Olive St., St. Louis, Mo. Sold by all druggists.—Adv.

we were taken before brutal and illiterate officers who are trying to do away with intelligent people and were then thrown into prison to die of typhus and hunger.

"I got along partly because I wasn't afraid. After my husband died I didn't care what happened to me. I lived by giving lessons in English. Once, when women without working papers, mostly widows and daughters of well-to-do families were being gathered together and sent to the farms and garisons to clean up for the soldiers, the guards tried to take me. I said 'you can shoot me right now, but go I won't.' So they let me pass.

"I had to leave as a British subject because I was always told that the Americans had not been asked for as was the case of the English, Italians or French."

Describing the marriage laws of Soviet Russia, Mrs. Kaiser said: "Officials ask for how long do you wish to be married—one month, two months? A couple can even be married for a day and get a divorce on the minute by appearing together and asking for it."

Mrs. Kaiser said that Henry Potter, an American who used to be employed in the American Consulate as a courier or servant and who was left there to take care of the effects of the consulate, was executed in Odessa last June because papers addressed

to the American State Department and complaining of the Soviet system were found in his possession. "He had a list of papers, files and furniture missing from the American Consulate at Petrograd and Odessa," said Mrs. Kaiser. "He tried to help me escape."

## MINNESOTA'S ROAD BUILDING STARTED

One Hundred Million Dollar Campaign Launched—Will Improve Highways Connecting Principal Towns and Lakes.

St. Paul, Minn.—Minnesota's \$100,000,000 good roads project, to permanently improve highways connecting the principal towns and the ten thousand lakes for which the state is famous, was launched this week.

Charles M. Babcock, state highway commissioner, has organized a maintenance force of more than 1,000 men, with a patrolman for each 5-mile section and special gangs to keep the gravel roads in best condition until paving is laid over the entire 7,000-mile, hard-surfacing will be awarded soon, according to the highway department, which will spend approximately \$10,000,000 on highways this season and increasing amounts each year thereafter.

The Babcock good roads plan was adopted at the last election and put into effect by the legislature which has just adjourned.

Improvements will be financed with the proceeds of a 2 per cent tax on the list price of motor vehicles, in lieu of other levies. A state ad valorem tax levy of 1 per cent and local levies will be continued to provide funds for improvement of lateral or feeder roads.

Minnesota already has long stretches of paving on arterial routes and hundreds of miles of good smooth gravel roads. Completion of the Babcock plan will mean a good road to every farm gate in the state and the highway department predicts that the most important lines will be hard-surfaced within five years.

## MEXICO PLANS FOR NEW NAVY

Mexico City. — By The A. P.—A naval building program calling for an expenditure of a sum equivalent to \$100,000,000, spread over a period of ten years, has been outlined by the Department of Army and Navy. It will be submitted to congress soon.

**MILLIONAIRE FARMER WHO WORKS AND LIKES IT**  
Food, a millionaire who gets up at five in the morning, works on a farm all day and goes to bed with the chickens. He is Howard Parmenter of Wayland, Mass., who inherited the fortune of the late Jonathan Parmenter, "overall millionaire." "It's worth more than the money to me to work hard, eat plenty and go to bed at sunset. Tell the city people to come out and learn how to live," said Mr. Parmenter. He is shown here with one of his blooded cows.

## CROP CONDITIONS IN GREENE COUNTY GOOD

Weekly Report of Crop Conditions is Encouraging — Miss Wanda Carr Is Married in Eldon, Mo. — Other Greene County News.

White Hall, May 24.—Crop conditions are encouraging, according to the weekly report of R. B. Pearce. Corn plowing was finished last week, and most of the crop is planted, the weather last week affording splendid progress of farm work. There is some corn up. Winter wheat conditions are flattering, although there are isolated reports of the presence of chinch bugs. Oats are promising well at this time. Late garden stuff is in good condition, and there will be a good crop of potatoes. Home-grown strawberries appeared on the local market Monday, but the need of rain is causing this crop to dry up rapidly. The crust of the ground is very hard and dry. Reports appearing in public prints the past week that the great apple districts of this section will show a complete failure is taken as an exaggeration. The exact condition of the apple crop will not be known until a few weeks hence, but authorities see no reason why there should not be sufficient late varieties to harvest something of a crop to good advantage.

Mrs. Phil Campbell has purchased the millinery business of Mrs. J. D. Simonton. Mr. and Mrs. Simonton plan to return to Texas, so we are informed, and they will leave a lot of good friends behind.

Miss Gladys Smith, of Carrollton, was a week-end guest of Miss Edith Meyers on North Main street.

## Operate Interlocking Plant.

The interlocking plant at the north corporate limits of the city has been in operation since Thursday last, but the one at West Roodhouse, two miles further north, is still idle, while the order to place the plant at Ashland in operation last Saturday was rescinded, and that one is still idle.

D. V. Winters, manager of the West Roodhouse tower, says that there is nothing definite on its being re-opened, and the men are somewhat uneasy. The former force is again in charge at the White Hall tower. C. C. Withrow has sufficiently recovered from his hospital experience to be at the levers during the forepart of the day, and R. B. Pearce has been relieved at Roodhouse for regular assignment on second track, his place having been filled by Albert G. Smith. L. O. Goddard arrived home Monday, relieving J. Papouch of third track, the latter returning home to Lincoln.

## Mrs. Griswold Improving

Mrs. S. N. Griswold up to Saturday last had been placed in her wheel chair, the second time she being wheeled out onto the porch, where she was enabled to view the trees and other things about her magnificent home on North Main street. She recognized several persons and passed along pleasant remarks about others. As she sat there in the care of loving hands just across the street was a party with J. M. Beadles, the evangelist, who was viewing a choice lot with the view of building a home and becoming fixed as a citizen of White Hall. The setting in its entirety was inspiring. Mrs. Griswold has been a terrible sufferer for weeks, resulting in a fall in her home, and with her first outdoor appearance on a fine May day seemed to bring inspiration all about. No one could express such love and devotion to a community as one who has expended so much and who has such great visions of the recreational facilities of the community as Mrs. Griswold, and she has builded more permanently probably than she thought possible, making for herself a name that will never perish from the memory of the people of White Hall.

Mr. and Mrs. C. A. Woolledge are here all week from Allamogosa.

## Milk Receipts Reach New Mark

The milk receipts at the condensed milk station at White Hall reached a new high mark for one day last week, the receipts for the one day totaling 22,985 pounds. At the present time the daily receipts are being maintained at 21,000 pounds and better. The price paid is \$1.89 for 3.5 per cent butterfat. The plant is under the management of George Lakin for the St. Louis Dairy Co., lessees. The receipts have been swelled considerably by receipts from Barrow, Wright, Borden and Patterson, the product coming in from a wider radius than has ever been the case heretofore.

An invitation to the commencement exercises of the Rushville high school on June 2nd shows one of the graduates to be Floyd Bradley, whose mother will be well remembered as formerly Miss Pearl Graves, niece of Mrs. Richard Vermillion of White Hall, who has visited here at intervals all her life.

The condition of Mrs. Cynthia Tanner is critical, and she is a great sufferer as the result of injuries received when a horse dropped dead on her Sunday.

Mr. and Mrs. Harry Hull have returned to Jersey City, after a visit with his parents, Mr. and Mrs. T. M. Hull.

## Former Resident Weds.

Announcements received by numerous relatives here convey intelligence of the marriage of Miss Wanda Carr and Rev. Fred Wallace Field at Eldon, Mo., which took place there on the 18th inst. The bride is the daughter of Mr. and Mrs. Frank I. Carr, formerly of White Hall, Barrow and Roodhouse.

Her mother was formerly Miss Dora Thompson of Barrow, daughter of Isaac Thompson, and so the family is well connected and widely known over this section. Her father is a brother of Mrs. Caddie Chapin of White Hall. The identity of the groom has not been made known here, but his winning such a bride is sufficient recommendation of his standing.

## Inspected Terminals

R. E. Ballard, the local Burlington agent, was a guest of the association of local railroad agents of St. Louis and East St. Louis on an inspection of the terminals and connecting lines of the two cities last Saturday. A train of nine cars was provided by the Missouri Pacific in a manner that afforded the most advantageous view of the lay of tracks as the train proceeded, and it was a most instructive trip, as well as enjoyable from a social standpoint.

Misses Bessie Petty and Rilla Backus are here from Chicago this week.

A. A. Lorton, commander of the local G. A. R. post, was the only representative from White Hall at the state G. A. R. encampment at Graceland last week and he is very much elated over the next encampment coming as close as Alton.

## FORMER POLICE CHIEF UNDER SUSPICION

Seranton, Pa., May 24.—Frank J. O'Boyle, former chief of police of Carbondale, Pa., who was arrested on suspicion of having escaped from Leavenworth prison twelve years ago while serving a life sentence for train robbery, was released today on a writ of habeas corpus. The chief of the Carbondale police, who arrested O'Boyle said he doubted very much that he is the man wanted.

## NAME WAS OMITTED

In report of the meeting held at the Grand Opera House Sunday afternoon the name of Fred Darr was thru error omitted from the list of those who had charge of the decoration.

**ELKS PLANNING FOR CEREMONIAL**  
Class of Fifty Will be Initiated Tonight

Griggsville, Winchester and several other towns will be represented in the list of candidates to be initiated into the order of Elks tonight. Extensive preparations have been made and the ceremony will be of a kind the 50 candidates and members of the order present will both enjoy and remember.

Work is in progress at the Elks Home in fitting the kitchen and within a comparatively short time the dining room will be ready for lunch service every day. While the ball room, card room, lounge and other rooms on the first floor are beautiful and spacious, a great deal of work remains to be done. The second room on the first floor has not yet been decorated or finished and the rooms of the second floor are still to be improved. However, the improvement plans are definite enough to make it certain that the Elks Home here will be one of the finest in the state.

Home Grown Strawberries 25c Qt. Shop-Aid.

**Deaths**

**Preston.**  
Warren Lee Preston, three year old son of Mr. and Mrs. Clarence Preston, of 913 South Clay avenue, died at 7 o'clock Tuesday morning following a long illness.

Surviving are the parents and three brothers, Leonard Elmore, Lawrence Russell and Virgil Harrison Preston. Funeral services will be held at 2:30 o'clock this afternoon at the family residence, and interment will be made in Jacksonville cemetery.

Don't fail to read BRADY BROS. ad. on page 10 today.

Miss Margaret Mefford of the vicinity of Virginia visited the city yesterday.

**MATRIMONIAL**

Owen-Duncan

The marriage of Miss Florence Duncan of Franklin and Owen A. Owen of Girard was solemnized in this city at 11:30 o'clock Tuesday morning. The ceremony was performed at the home of Mr. and Mrs. Burley Jones, 807 North Prairie street, Rev. M. L. Pontius, pastor of Central Christian church, officiating. The ceremony was witnessed by only a few immediate relatives, including Mrs. Owen, mother of the groom, and Miss Lou Duncan, aunt of the bride.

The bride is well known in the Franklin community, where she has spent all her life. She is a graduate of the Franklin high school with the class of 1921 and is a young woman of much charm and ability. For the past several years she has made her home with her aunt, Miss Lou Duncan, in Franklin.

The groom is a resident of Girard, where he is associated with his father in the shoe business. Mr. and Mrs. Owen left yesterday afternoon for a brief wedding trip and later will go to Girard, where they will establish their home. Their friends unite in the best of wishes.

Home Grown Strawberries 25c Qt. Shop-Aid.

**ATTENDED K. OF C. CEREMONIAL SESSION**

The degree team of local council of Knights of Columbus exemplified the work of the third degree at a ceremonial session held in Carrollton Sunday. The work of the first and second degrees was put on by Jerseyville Knights. There was a very large attendance and the sessions were interesting throughout. John J. Ferry, district deputy had charge of the third degree work.

Sigma Pi open meeting tonight at 8 o'clock.

**LICENSED TO MARRY.**  
Oren A. Owen, Girard; Florence Duncan, Franklin.

**JURY SECURED IN DUNCAN MURDER CASE**

Self Defense Will be Plea of Woman Who Shot and Killed Perry, Jr.—Evidence Taking Begins Today.

The taking of evidence in the case of Mrs. Laura Duncan, who is charged with the murder of Harry Perry, Jr., will begin this morning. The trial opened yesterday before Judge Norman Jones in the circuit court. The state's case is in the hands of State's Attorney Carl E. Robinson and John M. Butler, while Mrs. Duncan's attorney is William N. Hargrove.

The entire day was consumed in examining veniremen and the 12 jurors were chosen only a short time before the adjournment of court at 5 o'clock. The jurors who will decide Mrs. Duncan's fate are as follows:

- R. V. Blimling, Woodson.
- Walter Smith, Jacksonville.
- Benjamin F. Owen, Jacksonville.
- C. A. Murphy, Murrayville.
- J. H. Dial, Jacksonville.
- W. A. Barrow, Waverly.
- H. W. Kinnett, Meredosia.
- Walter Boddy, Markham.
- Guy Coultas, Markham.
- Arthur Stringham, Jacksonville.
- C. E. Newton, Concord.
- J. H. Ommen, Meredosia.

**Self Defense Plea.**

The line of questioning by Mr. Hargrove indicated that a plea of self-defense is to be made in behalf of his client. It was an exceedingly warm day but that fact did not lessen interest in the proceedings and the court room was completely filled thruout the day. About 75 per cent of the persons in attendance were women. The examining of veniremen is not an exciting proceeding, but many of the spectators had enough interest to remain from the time court convened until the closing hour.

Mrs. Duncan, it will be remembered, shot and killed Harry Perry last Christmas eve at her home on Davenport street. Her appearance in the court room yesterday did not indicate mental stress.

Sitting near the defendant in the court room were her parents, Mr. and Mrs. Bateman of Prentice precinct, together with other relatives. Harry Perry, Sr., father of the murdered man, was seated yesterday with the attorneys for the prosecution and was frequently in consultation with them.

It is not expected that the trial will be long drawn out, as comparatively few witnesses are to be examined. One of the questions on which the prosecution laid especial emphasis in examining the veniremen was their attitude toward women defendants. An effort was made to find out if the fact that a woman was the accused in this case would be likely to influence the juror in making up his opinion as to guilt or innocence.

Home Grown Strawberries 25c Qt. Shop-Aid.

**REAL ESTATE TRANSFERS**

Mrs. Elmer Doherty and son of Minneapolis, Minn., are guests at the home of Mrs. Doherty's parents, Mr. and Mrs. D. E. Sweeney on South East street.

Albert Ross of the east part of the county called in the city yesterday.

**GO TO THE DEVIL**

**GO TO THE DEVIL**

**Social Events**

**Seniors Entertain Society Sisters.**

The seniors of the Theta Sigma and Belles Lettres societies of Illinois Woman's College entertained the other members of their societies at the regular meetings yesterday. A special hour was enjoyed and the seniors of both societies acted as hostesses.

The new officers for Belles Lettres society next year were installed. LeNore Kreige is the president; Julia Mae Harrison, the vice president; Avis Murphy, treasurer, and Carman Dugger, secretary. After the installation the seniors served refreshments.

**Past Noble Grand Club Met With Miss Estaque.**

Miss Joyce Estaque was hostess to the members of the Past Noble Grand club of Jacksonville Rebekah Lodge, No. 13, at her home 220 East College avenue, Tuesday evening. There was a good attendance of members and after the regular business session several musical numbers were given by Miss Estaque and Miss Fern Haigh. The hostess served delicious refreshments.

The next meeting will be held with Mrs. George W. Davis of 724 South West street, June 16.

**Birthday Surprise For Mrs. H. A. Nelson.**

A birthday surprise party was given at Grace church Monday evening in honor of Mrs. H. A. Nelson, teacher of the Marys and Marthas class. Members of the class, under the direction of Mrs. Amelia Nebold, the president, arranged the details for this event and it was a most pleasant one socially.

Following the serving of a substantial supper came several hours during which an informal program of music and readings was given. Members of the class presented Mrs. Nelson with a handsome potted plant.

**Charming Social Function At Elks Home.**

One of the most delightful social functions of the season was the dance given at the Elks Clubhouse last night by Mr. and Mrs. Paul Samuel, Mr. and Mrs. W. G. Goebel, Cole Rowe and Richard Y. Rowe. There were about two hundred guests present, many of them from out of town.

The beautiful new Elks' home, an ideal place for such a function was made even more attractive by the generous and artistic use of spring flowers, lilies, roses and peonies.

Music for dancing was furnished during the evening by Dunlap's nine-piece orchestra. There were several pretty favor dances in which the guests received attractive little fans, dolls, clever masks and other favors.

During the evening a delicious supper was served. The hosts were assisted in entertaining by a number of their Jacksonville friends.

**D. A. R. Chapter Holds May Meeting.**

The Reverend James Caldwell, Chaplain of the D. A. R., met for the regular monthly meeting yesterday afternoon at the Governor Duncan Memorial home. Mr. George Merrill, the vice regent, presided at the meeting.

The program was in charge of Miss Effie Epler, who read a fine paper on "Our Revolutionary Dead and Their Days," paying splendid tribute to these heroes of a century and a half ago, and telling of the life of those days.

Miss Ollie Dunlap who is visiting at her home east of the city at present, gave an interesting report of the National D. A. R. convention which she attended in Washington, D. C., in April.

After the program there was a pleasant social hour and the hostesses for the afternoon passed dainty refreshments. Mrs. John Russel was chairman of the social committee for yesterday's meeting and she was assisted by Mrs. Harriet Nelson, Mrs. Marcy Osborne, Mrs. Grace T. Powell, Mrs. C. B. Powell, Mrs. Mary Smith Price, Mrs. Helen Brown Read, Mrs. David Reid, Mrs. Mrs. Howard Russell, Mrs. J. Frank Strawn, Miss Jeanette Russell, Miss Clara Stevenson, Miss Maude Ryman, Mrs. Brayton Smith and Mrs. Julia Shields.

**Orleans Country Club Meets Tuesday.**

The regular May meeting of the Orleans Country club was held Tuesday afternoon at the home of Mrs. Albert Swinger. There were about thirty members present and a very interesting program was presented.

The program opened with a piano selection by little Miss Winona Rawlings, followed by an instrumental solo by Mrs. Lucille Curry. An excellent paper on "The Auto Trail" was read by Mrs. Clark Stevenson and Mrs. William William Arnold presented one on "Training for Citizenship."

At the business session a committee of two was named to co-operate in arrangements for the picnic luncheon of the Morgan County Federation of clubs which is to be held at the new tuberculosis sanatorium, June 2. This committee includes Mrs. Harry Rice and Mrs. A. A. Curry. The chairman of the domestic committee for the club picnic on June 21 is Mrs. Holley, and Mrs. William Scott is the chairman of the program committee.

The meeting closed with a selection on the piano by Miss Violet Davis. The next meeting will be at the home of Miss Florence Cox on Tuesday, June 7.

**ILLINOIS COLLEGE DRAMATIC CLUB PLAY**

Midsummer Night's Dream Presented By an Admirable Cast—Large Audience, Many From Other Places, Witnesses Play.

The presentation last evening of "A Midsummer Night's Dream" by the Illinois College Dramatic club was a finished piece of dramatic art.

The college grove in front of Beecher Hall made an ideal setting for the play. Shrubs were transplanted to furnish a background and for a screen for the orchestra and chorus.

The bleachers which had been put up proved to be too small to take care of the crowd and many were seated in chairs and some on the ground.

An unusually large number of out of town people were present, the largest parties came from Springfield, Tallula, Winchester and Murrayville. The parties from the two latter towns included members of the high school English classes.

Members of the cast had spent much time in preparation and rehearsals. The reading of the beautiful lines was all that could be desired and the presentation last night will go down in history as one of the most finished ever given by an Illinois College organization.

The dances were especially delightful and were encored after each appearance. Miss Virginia Bullard directed all of the dances.

Miss Betty Palmer playing the part of Puck pleased the audience with her clever acting and dancing.

The play was directed by Professor J. G. Ames, assisted by Miss Lois Daniels, Mrs. F. Garm Norbury and Mrs. F. I. Moats.

The costumes were designed and made in part by Mrs. Vorce Bassett, Mrs. J. G. Ames, Mrs. John Johnson, Mrs. Robert Capps, Mrs. A. L. Adams and Mrs. Felix Farrell.

The Conservatory of Music furnished the chorus and the orchestra which were directed by Professor Quast and Professor Kritch respectively.

The officers of the Dramatic Club are: Business Manager, Worthington Adams; Manager of the Stage, Professor J. G. Ames; Manager of the Properties, Felix M. Farrell and Mistress of the Wardrobe, Mrs. C. H. Kammeikamp.

**A Midsummer Night's Dream. Dramatic Personae.**

Theseus, Duke of Athens—Mr. William Scott.

Egeus, father to Hermia—Mr. Francis Thurmon.

Lysander, betrothed to Hermia—Mr. Edward Tanner.

**Funerals**

**Woodward.**  
Funeral services for Margaret Woodward were held from the M. P. church in Chapin at 2 o'clock Tuesday afternoon in charge of the Rev. Thomas Symonds, of Concord.

Music was furnished by Miss Mamie Onken, Miss Josephine Onken, Harry Onken and W. B. McAdams. The flowers were cared for by Mrs. Walter Woodward and Mrs. Edward Joy.

Burial was in Concord cemetery the bearers being, James F. Joy, Truman Cowdin, W. P. Cowdin, Walter Woodward, John Onken and J. F. Bernham.

**Burkey.**  
Funeral services for Mrs. John Burkey were held at 8:30 Monday morning at the Church of Our Savior.

Mrs. Burkey was the daughter of John and Margaret O'Connell and was born near Woodson 56 years ago. She is survived by the following children, Margaret, Eugene and Joseph at home, and Leonard of Chicago. Three children precede her in death. There also survives one brother, Thomas O'Connell of Woodson precinct, two sisters living in the same neighborhood, Mrs. Michael Doolin and Miss Mary O'Connell and Mrs. Chas. McCarthy of Oakland, Cal., and Mrs. Elizabeth Carrigan of Milledgeville, Iowa who preceded her in death four years ago.

The flowers were cared for by

Florence and Stella Doolin. Agnes O'Connell and Anna Doolin. The pallbearers were William Doolin, Les Doolin, James O'Connell, Thomas O'Connell and Harry Doolin.

**Lambert.**

Funeral services in memory of the late Edward C. Lambert were held at 4:30 o'clock Tuesday afternoon at Fairview, the home of Mrs. T. J. Pitner. There a large company of friends gathered to thus give expression to the respect in which they ever held Mr. Lambert, and to voice sympathy for the members of the family in the hour of sorrow.

The services were in charge of Rev. T. H. Tull, pastor of Grace church, in which Mr. Lambert had so long held membership. Mr. Tull was assisted by Dr. F. S. Hayden, who began the simple services with the reading of familiar passages of scripture.

Rev. Mr. Tull took a part of the verse of the 14th chapter of John as the basis for his timely remarks: "If it were not so I would have told you." There is a wealth of assurance in these words, the minister said, for people of the Christian faith, and they give proof of the unending interest that God maintains in His children. His purpose to care for them now and in the hereafter. The minister spoke briefly and in a very comforting way and closed the service with prayer.

From the home the body was taken to Diamond Grove cemetery and laid to rest in a grave.

Home Grown Strawberry 25c Qt. Shop-Aid.

made beautiful with flowers. The committal service was said by Rev. Mr. Tull. The flowers sent by many sympathizing friends were cared for by Mrs. G. L. Merrill, Mrs. A. B. Applebee, Mrs. J. W. Walton, Misses Mayme Price and Anna C. Duer.

The bearers were Messrs. J. A. Ayers, C. H. Russell, Alfred T. Capps, W. D. Wood, S. O. Barr and C. H. Hall.

Home Grown Strawberries 25c Qt. Shop-Aid.

**WITH THE SICK**

W. F. Hembrough, who is on the sick list is visiting at the home of Joseph Hembrough on South East street.

Mrs. J. Parker Doane is a patient at Passavant hospital.

Mrs. C. N. Scott of Winchester became a patient at Passavant hospital Tuesday.

A. Dinwitty of Virginia is a patient at Passavant hospital.

Paul Leurig who is teaching in Eureka and Louis Leurig who is working in Belleville have been called home on account of the serious illness of their aunt, Mrs. Mary E. Coffman.

D. P. Driver and wife of Carrollton were visitors yesterday at Passavant hospital. They were up to see their granddaughter, Vivian Duclille Driver.

## AMERICAN LEGION NEWS NOTES

A hallowed mantle of the Grand Army of the Republic falls upon the young shoulders of the American Legion on Memorial Day of this year. Blue-uniformed, with medals upon his breast, the white-haired veteran of the Civil war made the Memorial Day round of the school houses in former years. This year it is the Legion members who will visit the school houses in many communities, telling of a different conflict but teaching the same lessons.

In St. Paul, Minn., the Legion has assumed the task at the request of the G. A. R. itself. Post

No. 8 will send 100 men to address the school children of the city and its vicinity.

Andernach, on the Rhine, Germany, where the Boche maidens are the prettiest, as the heart of the thriving Iron Cross market is the second stronghold in the German Empire to be occupied by the American Legion. The new post is Adenach Post No. 5. Andernach was headquarters of the Third Division in Third Army days, and now quarters the Second Brigade of the American army of occupation. Amaro Post No. 4 of the Legion is situated in Coblentz.

Alfred E. Dameron, a member of Steward Whiting Hoover Post of the American Legion at West Point, N. Y., heard the call of the Army but found that recruiting had stopped. As second choice, he went back to the farm in Virginia. A few days later, while plowing he turned up a copper not containing \$15,000 in old gold and silver coins.

Housing conditions are as perplexing in West Seattle, Wash., as in the rest of the country. Hence the local post of the American Legion has bought a church which will be remodeled into a clubhouse.

"There is not the least doubt in my mind that if it had not been for the determined stand of the American Legion, Zimmer and I would still be in prison," writes Sergeant Naef, who with Sergeant Zimmer was arrested by the Germans following an attempt to capture Grover Cleveland Bergdoll, notorious slacker. "The American Legion came to my aid during one of my darkest hours, and it demonstrated by its unvarying loyalty toward a comrade that its sublime aspirations and lofty ideals concerning comradeship are a living truth."

The carrying of any other flags, placards or similar articles in any procession along with the official colors of the American Legion and the stars and stripes is condemned in a bulletin just issued by national headquarters of the Legion. In a procession, the bulletin states, the national colors always should be borne on the military right, with the Legion colors on the left, and the colors should always be provided with a proper guard, composed of men who appreciate fully the great honor conferred upon them.

A military band from Jefferson Barracks, Missouri, with American and American Legion flags in a procession, was passing thru the central section of St. Louis. As they neared a prominent corner, a man yelled out: "I'll bet this two dollar bill that I won't take my hat off for those flags."

He lost to a Legion man nearby. Likewise he lost his hat, which hit the street with such force that further use was out of the question.

A gain of seventy-six new units of the American Legion's Women's Auxiliary last week raises the national total to 2,747 units.

Fifty union labor members out of a total enrollment of sixty-six is the record of the American Legion post at Mulberry, Kans., which won first prize in the Kansas membership contest, second classification. Forty-six union men are members of the United Mine Workers of America; four are affiliated with other trade unions. In addition, the post includes six merchants, three farmers, three clerks, two doctors and two school teachers.

An investigation conducted by the Indiana Department of the American Legion in regard to conditions at Valparaiso University, charged by its president, who later resigned, with being a "hotbed of Bolshevism," resulted in the stain of un-Americanism being removed from the school. The head of the student body is an ex-service man and fifty-two of the students are Legion members. The government recently closed a contract for the education of 500 more disabled veterans at "the poor man's Harvard."

Less than a month after it was organized, the American Legion post of Bigheart, Okla., began cleaning up the city. Its first move was to purchase trash cans which it placed on every street corner, after which it started a publicity campaign to educate the citizens to use the cans instead of the street.

Photographs of the cemeteries in France where their sons lie buried will be supplied to gold star parents of Lynchburg, Va., by the American Legion post there in conjunction with the Kiwanis club.

**SOME INTERESTING PICTURES**  
Capt. John A. Schaub has at his home with his daughter, Mrs. Schreiner on East Morton avenue, some interesting pictures and souvenirs of the civil war.

One is a picture of the interior of his tent at Chancellorsville. He was then a lieutenant and the flaps of the canvas home are pulled aside disclosing the familiar articles to be seen in such a place. The camp stool, the clothes case, the cot and a variety of articles so familiar to the veteran of the sixties.

Another is a pen picture containing a list of killed and a list of wounded up to a certain time. The colonel of the regiment was in the first named list and many brave boys fell with him while many suffered wounds. The third picture is a copy of a large painting "The Dying Corporal," showing a comrade supporting one breathing his last.

Bathing suits for men, ladies and children.

## ANNUAL HIGH SCHOOL CLASS DAY TONIGHT

Seniors Will Present Annual Class Day Program in Gym Tonight.

The senior class of Jacksonville high school will have the annual class day exercise tonight at the David Prince gymnasium at eight o'clock. The juniors have charge of the decorations which will be in the class colors of gold and purple. The girls are to dress in white middie and skirts and gold ties—and the boys will wear white trousers and purple ties.

The following program will be given:  
Quartet—Eunice Haerle, Olive Parker, Ruth Reynolds, Carl Sandberg.  
Will—Kenneth Barton.  
Piano Solo—Ruth Bradley.  
Prophecy—Alice Carter.  
Duet—Eunice Haerle, Ruth Reynolds.  
Address—Eugene Darr.  
Presentation of "G's"—B. F. Shafer.  
Solo—Ollie Parker.  
Presentation of Record Book—President of Senior Class, Frank Cohen.

Response—President of Junior Class, Reginald Reid.  
Class Song—Class.  
Trophies—Garueda Phelps, Edward Alexander.  
The senior class officers are:  
President—Frank Cohen.  
Vice President—Carol Lander.  
Secretary—Charlotte Hull.  
Treasurer—Leland Perbix.  
The committee in charge of the class day exercises includes: Gene Darr, Garueda Phelps, Alice Carter, Dick Hyer and Kenneth Barton.

**SOME PREVENTABLE FIRES**  
The last issue of "Safeguarding America Against Fire" contains some remarkable articles. A \$200,000 school building was burned in Lyons, New York, and two lives lost when a careless smoker threw a lighted cigarette into a waste basket. From 1915 to 1919 the fire losses caused by careless smokers amounted to \$91,842,935.

Children playing with matches cause many fires. At Lisbon, O., a girl was burned to death and a house destroyed; two children in Texas set fire to some haystacks and themselves were burned to death; in Minnesota children playing with matches in a barn caused the loss of 18 business houses, two dwellings, an ice house and four barns; a child in Portland caused her own death and the loss of a house. The \$2,000,000 Equitable building loss was caused by a careless man who threw a match into a waste paper basket in the basement. Many more similar stories are told in the publication.

## AMERICAN LEGION WILL HAVE EXCURSION

The American Legion Post at Bluffs is planning a moonlight excursion on the river Thursday, June 9th. This is the first excursion of the year and will probably be well attended. The New York Jazz orchestra is to furnish music for dancing on the boat. The G. W. Hill steamer is the excursion boat and it will start at Meredosia, go up the river to Griggsville and then return to Meredosia late in the evening.

## WHITE SOX RECRUIT GOES ENTIRE ROUTE

Dominick Mulrennan, Pitches Winning Game for Sox—Yarvan Hits Two Doubles Which are Responsible for Three Runs.

CHICAGO, May 24.—Dominick Mulrennan, a recruit pitcher went the route for the White Sox and with timely hitting behind him defeated Washington 6 to 5. Everert Yarvan, last year's home run hitter of the Western League took Schalk's place behind the plate and drove out two doubles, scoring one run himself and driving in two others. Mulrennan pitched in fine form, having only two bad innings in which the visitors bunched hits.

## ROCKFORD TAKES THE ODD GAME

Rockford, Ill., May 24.—Bunching of extra base hits in the second and fourth innings gave Rockford the odd game of the Bloomington series. A pass, two errors by Strong and a single by Coltrin gave the visitors their tallies in the third. Anderson's spectacular catch of a drive by Coltrin saved the game in the ninth.  
Score:  
Bloomington. 3 7 2  
Rockford. 4 7 2  
Zeiser and Harkins; Littrel and Rigby.

## O'DOWD WINS OVER BOB ROPER

New York, May 24.—Dan O'Dowd of Boston received the judge's decision over Captain Bob Roper of Chicago after a 15-round bout in Brooklyn tonight. O'Dowd weighed 173 pounds, fifteen less than his opponent.

## KNOX DEFEATS MONMOUTH COLLEGE

Monmouth, Ill., May 24.—Knox College baseball team defeated Monmouth College 7 to 3 today. Monmouth scored its three runs in the ninth inning. Dickson struck out 16 Knox batters and gave but four hits.

## GIANTS KNOCK BABE ADAMS FROM RUBBER

Winners Hit Ball in Pinches and Run Wild on Bases—Nehf Was Hit Hard in Early Innings but Settles Down.

NEW YORK, May 24.—The New York Nationals knocked out the veteran Pittsburgh pitcher, Adams, here today and won the second game of the series by 5 to 3. The Giants hit the ball in the pinches and ran wild on the bases. Nehf was hit hard in the early innings but settled down after the fourth.

## ISLANDERS MAKE CLEAN SWEEP OF SERIES

Rock Island, Ill., May 24.—The Islanders made a clean sweep of the series here today by taking the third straight game from Evansville, 6 to 1. The locals bunched their hits in the third and fourth innings for six runs. Cortiss lasted but four innings. Bauer who relieved him stopped further local scoring.

Score:  
Evansville. 1 9 2  
Rock Island. 6 7 1  
Cortiss, Bauer and Patterson; Miller and Connolly.

## BASEBALL FANS CAN FISH FROM STAND

New Grand Stand at Richmond, Virginia Built Into St. James River.

Richmond, Va., May 23.—(By A. P.)—A baseball park, the grandstand of which is built on piles extending into the James river, has been completed for Richmond club of the Virginia league.

Mayo's Island, the scene of the new baseball park, was once before used for such purpose, but it was in the days when Nash, a Richmonder, who became a member of the Boston Nationals, and other noted local diamond stars of bygone days played here. It was however, before Tannehill, Chesbro and Jake Wells, played here.

Because of the shape of the island it became necessary to build the greater part of the structure over the water in the river. There are two sets of bleachers and the stand is equipped to seat about 10,000 spectators. From the grandstand fans may toss fishing lines into the river and try their luck at angling while waiting for the game to start.

Insure with M. C. Hook Co.

## BOSTON SCORED FIVE RUNS IN EIGHTH

Boston, Mass., May 24.—With St. Louis leading Boston, 3 to 2 in the last of the eighth, the bases full and two out, Pinch Hitter Frank Gibson whose timely single had defeated Cincinnati Saturday, singled to left field today, scoring two runs. Powell followed with a home run to deep right center and Boston won, 7 to 3.

Score by innings:  
St. Louis. 101 001 000—3 7 4  
Boston. 100 010 00X—7 8 2  
Pettica, Sherrill and Clemens; Scott, Watson and O'Neill, Gibson.

TEAM MATES BATTLE FOR BATTING AND BASE RUNNING HONORS

Stanley Harris and Sam Rice (insert) of the Washington Senators are engaged in a thrilling duel for batting and base stealing supremacy. The latest averages show Rice leading in hitting but with only four steals as against seven for Harris, who leads the league.

## KELLY MAY BE A SFEOND BABE RUTH

The Giant's First Baseman Continues to Threaten the Supremacy of Ruth in Securing Home Runs—The Contest is An Interesting One.

New York, May 24.—George Kelly, tall first baseman of the Giants, continues to threaten the supremacy of Babe Ruth in the matter of securing home runs. The contest between the two is holding the interest of baseball followers.  
Kelly was purchased from a Pacific coast club several years ago.  
In the fielding he progressed rapidly. In batting, however, he remained woefully weak. This deficiency caused his sale to the Rochester club, after two years in New York.  
He was re-purchased by the Giants in the fall of 1919. With the beginning of the 1920 season, he was re-instated on first base as a regular after a training trip to the Pacific coast.

Kelly hits more opportune than Ruth. Twice this season his circuit smashes have come with three men on bases. Ruth's 12 home runs have resulted in 19 scores for the Yankees. Kelly's eight drives have sent the same number across the plate.  
Kelly is a more rangy type of batsman, although his weight of 230 pounds is no greater than Ruth's poundage. He bats and throws right handed, while Ruth is left-handed in both. Because of the difference in batting Ruth inclines to right field hitting, while Kelly is more apt to drive the ball to left.

Kelly is a finer hitter than Ruth, in that he will hit to all fields, left center and right, oftener than the Yankee star. Ruth, however, hits all kinds of balls, high or low, slow or fast, inside or outside, oftener than Kelly.

Kelly is a "wrist hitter." Ruth employs a long, powerful swing, with the arms, getting the benefit of every ounce of his weight. Kelly leans well forward, when he bats, Ruth does not. Kelly's feet are farther apart than Ruth's and he has an awkward knee action. He doesn't bring the bat forward from as far back, but puts in savagely with the wrist and thus gets his enormous power.

baseball men here expect Ruth to distance Kelly by a comfortable margin when the records for the 1921 season are compiled. However, the early season work of the rival Giant has provided one of the most interesting features of recent years in major league baseball.

## ATTORNEY GENERAL GUEST OF DEMPSEY

Says it is His Duty to Be Present to See Fight is On the Level—Carpenter Takes Light Day's Work.

Atlantic City, N. J., May 24.—With Harry M. Daugherty, attorney general of the United States, as his guest, Jack Dempsey today went thru the most strenuous workout he has indulged in since he started training here ten days ago. The heavyweight champion increased his boxing to six rounds covered six miles on the road, punched the bag for ten minutes and shadow boxed for two rounds.

Clad in full length trunks, a cap, an old sweater coat and a three days' growth of beard, Dempsey was presented to Mr. Daugherty, the attorney general, who after looking the champion over, Mr. Daugherty said:

"You're bigger than I thought you were. I saw you box Brennan and you looked small then. I am glad to know you and I shall drop in every week end. Perhaps I shall be able to help you out—but it will be in an advisory capacity and not with the gloves."

Asked if he expected to witness the championship contest, the attorney general said:

"Well, I am the attorney general of the United States and I think it is my duty to be there to see if the fight is on the level. Draw your own conclusions from that."

After punching the bag and shadow boxing, Dempsey took on Larry Williams, Jack Renault, Alex Tamboras and Babe Herman in succession.

## Carpenter's Work Light

Manhasset, N. Y., May 24.—Georges Carpenter today spent ten minutes at light exercise, went for a long ramble in the woods with his dog, took a short automobile ride and then called it a day.

This afternoon was cool and a stiff breeze was blowing so Georges did not come out for his usual lawn party with Manager Decamps, trainer Wilson and other members of the training camp squad.

This disappointed a crowd of small boys who gathered in the road hoping to glimpse the challenger. They started yelling whenever Georges appeared on the porch, smiled and waved his hand to them. The youngsters then dispersed.

Italian Joe Gans who has been employed as one of Georges' sparring partners was due to arrive in time to start work tomorrow. Paul Journee, the French heavyweight also is slated to work opposite the challenger.

## SPORT BRIEFS

Denver, Colo.—Mike Dundee was given the decision over Pekin Kid Herman in 12 rounds.

Canton, O.—Tommy Gibbons knocked out Jack Heenan in the first round.

Chicago—The city council voted to revoke the park license of the club where five indicted former members of the White Sox have been playing with a semi-pro club.

Detroit—Nine members of the Detroit American baseball club who are members of the American Legion are to be banqueted by ex-service men tonight.

Pittsburgh—In a resolution adopted by the city council and forwarded today to manager Geo. Gibson of the Pirates at New York, council expressed its "heartly commendation and appreciation of the courageous and enthusiastic work of the club, with continued well wishes for the future."

Philadelphia—Harvard, Yale, Princeton, Navy, and the University of Pennsylvania will have crews in several events at the American Henley regatta to be rowed on the Schuylkill river course next Saturday.

## MYERS BROTHERS FOR TWO GAMES

Fast Springfield Team to Play Sunday and Monday—Price of Admission to Be Reduced.

Manager Smith announces Myers Brothers team of Springfield for a two days' stand here Sunday and Monday.

The visitors have one of the strongest teams traveling out of Springfield and Dove, the veteran hurler, will pitch one of the games. Smith is looking for a new pitcher and hopes to have one corralled in time for the game Sunday.

He also announces that several changes are contemplated in the Indians lineup. These changes will be made known later. The Indians are out to take both games but will have to go some to win from Dove.

Smith also announces that the price of admission will be placed back the same as last season and a small charge will be made for grand stand seats. Both games will start promptly at 3 o'clock.

## Three Motors to a Mile of Road

IN the United States there are three motor vehicles for every mile of highway, and this includes all our unimproved roads.

The Federal Bureau of Public Roads estimates that the vehicle use of the public roads in the agricultural districts has increased 500 percent during the past 5 years; also that 15 percent of the main highway traffic is carried by motor truck.

Roads built even 10 years ago were not intended to withstand the impact of modern motor vehicles passing in a steady stream. The modern road must be built to withstand this tremendous shock.

For years the Standard Oil Company (Indiana) has been producing material which has been used to provide many miles of road throughout the Middle West with cushion tops of paving asphalt—protecting the highways of town and country against the mighty shocks of modern traffic.

Good roads are a prime essential to national prosperity. The Standard Oil Company (Indiana) in creating a road covering of proved quality, is playing a vital part in the development of the Middle West.

Stanolind Paving Asphalt is refined from petroleum by distillation with steam agitation. It is an asphaltic cement of the very highest quality. It was developed to conform to the needs of the modern highway as determined by highway engineers working under actual road conditions in the Middle West.

In working out problems of highway construction to meet modern conditions, the Company is prepared to cooperate with any corporation, or engineer, engaged in road construction.

In the production of Stanolind Paving Asphalt, the Standard Oil Company (Indiana) has added one more useful product to the long list of its achievements.

Stanolind Paving Asphalt in itself is essentially useful, and by reason of its manufacture as a by-product of petroleum, the Company has been able to hold down the cost of manufacture of Red Crown Gasoline, Perfection Kerosene, Polarine Lubricating Oils, and other major products, without disturbing their high quality, thereby exerting a deterrent influence on increasing the selling price of these products, which accrues directly to your individual benefit.

E. T. Story is in St. Louis on business.

Mr. and Mrs. Richard Reiche and family were city arrivals from Beardstown yesterday.

George Hanning of Prentice visited the city yesterday.

## FINAL EXAMINATIONS IN SCOTT COUNTY

Large Class of Candidates Successful in Final Examination Held Recently at Winchester

Winchester, Ill., May 24.—The county final examination held April 23rd broke all previous records both in size of class and in per cent of successful candidates. One hundred and fifty-one wrote on the examination and one hundred and twenty-three made satisfactory passing grades.

Louise Shotwell of Williams school won the highest honors in the county making an average of 96 5-9 on the nine subjects.

Second, third and fourth places were won by Freda Adams, Ruth Barber and Howard Savoie of Naples school.

The work in the county alternates and this is the year for seventh grade work, the eighth grade graduates are few.

Following is a list of eighth graded graduates.

**Eighth Grades Graduates.**  
Della Wells, Alma Wells, Leta M. Guages, Alsey Gladys Hanback, Estelle Cowper, Glasgow; Rhoda Clark, Point Pleasant; Robert Rutherford, Seminary; Mary J. Hornbeck, Freeport; Irma Woods, Ma Neece, Verrona Barry, Marie Berry, Merritt; Louise Southwell, Williams; Ruth Barber, Howard Savoie, Olive Chambers, Freda Adams, Helen Dunaway, Helen Ellis, Bernard Meyers, Naples; Frank H. Marsh, Maple Grove.

**METHODIST COMMITTEE VISITS WOMAN'S COLLEGE**

At the chapel exercises at Illinois Woman's college Tuesday morning an address was made by Dr. Harry E. McPherson of Danville, who with other members of the official visiting committee of the Illinois conference board of education was a visitor at the college. The other visitors were Rev. Herbert Beck of Champaign, Rev. A. R. Grummon of Pittsburg, and Ira Blackstock of Springfield. It is the duty of this committee to visit all the Methodist colleges and then to make a report of their findings at the annual conference to be held in this city in September. From

here the committee went to Bloomington to visit Illinois Wesleyan.

## THE U. S. CHAIN TREAD

One of the few tires of which it may be said that they deliver economy year in and year out and tire after tire.

The U. S. Chain Tread gives sufficient traction on all ordinary road surfaces. It is probably the handsomest, and by all odds the most popular, of the whole U. S. Fabric Tire line.

## Economy rides on U.S. Tires—

IF you could get together all the car owners you know, you'd probably find that their tire experiences had been much the same.

Most of them have taken their fling at "job lots," "discontinued lines" and "surplus stocks." Soon or late, nearly all settled back on quality first as the one sound assurance of tire value.

As soon as a man forgets the cut-price tag, and comes to the dealer who concentrates on a full, completely sized stock of U. S. Tires—he learns what it means to get fresh, live tires—not once in a while but every time.

Not merely in the big cities, but in his own home town.

Not merely for the heavy car, but for the medium and light-weight car—a full selection of size, tread and type.

Your U. S. Tire dealer can give you this service because of the service he gets from his neighboring U. S. Factory Branch. There are 92 of these Branches. Each gets its share of U. S. Tires, so that the dealer is always supplied with fresh, live stock.

U. S. Tires sell as fast as they are made.

There is no over production. No surplus piled up waiting for a "market."

Wherever you buy a U. S. Tire—you buy a tire of current production, as full of life and value as the day it left the makers.

## AMERICA'S GREATEST TRUCK VALUE

Stewarts are made in six popular models—ready for any load—ready for any road. They adapt themselves to 90% of the requirements of American business at about 20% less than the average cost.

Stewarts cost \$200 to \$300 less to buy than the average price of other trucks.

Stewarts cost less to run—

For thru simplified design, hundreds of really needless parts, consequently hundreds of pounds of needless weight are eliminated.

You get a stronger, simpler truck—one that is economical on oil, gasoline and tires.

Stewart Capacities:  
¾, 1, 1½, 2, 2½ and 3½ ton

### ENGINEER LOWIS FEELS FINE NOW

Says Handling His Engine is a Pleasure Since Tanlac Built Him Up So Well.

"Tanlac has put me in shape to where running my old engine is a pleasure," said Ernest J. Lewis, 1407 Sixth St., Peoria, Ill., a well known engineer on the Chicago, Peoria & St. Louis Railroad.

"Ten years ago I commenced to suffer with my stomach and kept getting worse in spite of all I could do. For the past two years I had to live on cereals, milk, toast, eggs and the like, and even then the gas on my stomach would bloat me up and make me miserably for hours. There were awful pains around my heart and in my chest, and I had palpitation so bad I almost smothered. I had splitting headaches, was intensely nervous and was always taking something for constipation. Often when I got off my engine I was so tired I could hardly walk, and in the mornings I could hardly drag myself out of bed and had to lay off my run for two or three trips at a time. In fact I was almost a physical wreck.

"Tanlac was so well suited to my case that it wasn't long after I began taking it until I could eat and sleep much better, and what I ate seemed to give me strength. I just kept right on taking Tanlac and getting better all the time and now I am a well man. I never have to lay off a trip any more and I just feel like I had never had an ache or a pain anywhere. I have gained ten pounds in weight and am as strong as an ox and can handle my old engine as well as I could when I first got my run. If I could express what I feel, everybody would know how grand Tanlac is."

Tanlac is sold in Jacksonville by Shreve's Drug Store and leading druggists.—Adv.

### ELDERLY BLIND HAVE OWN CLUB

Organization in New York is Fostered by Lighthouse for the Blind.

New York, May 23.—One of the strangest clubs in the world is that of the elderly blind women, who meet every two weeks at the Lighthouse of the New York association for the Blind, at 111 East Fifty-Ninth street. It has been in existence for fifteen years and no one of its fifty members, though many are frail, stooped grandmothers—is willing to miss a fortnightly meeting.

Each comes on the arm of a "seeing guide." Often the women arrive in twos or threes, with a guide in the lead. Some of them have been blind only a few years, due to illness or cataract, and they are not accustomed to moving about in darkness. They can never venture out in the streets alone, and for many of them, the social hour and musical program at the Lighthouse is their only diversion.

To provide better education for blind children, broader and more remunerative occupations for blind adults, and more companionship and cheer for the aged blind are the objects of the Committee for Lighthouse for the Blind, in its \$2,000,000 campaign. The headquarters of the committee is at the Lighthouse of the New York association, 111 East Fifty-ninth street, which Miss Winnifred Holt, "The Lady of the Lighthouse," founded fifteen years ago. President Harding, when he received Miss Holt and the two other blind girls at the White House, accepted the honorary chairmanship of this committee. Andrew W. Mellon, secretary of the treasury, is honorary treasurer; Franklin D. Roosevelt, former assistant secretary of the navy, is chairman; Lewis L. Clarke, president of the American Exchange National bank, is treasurer. Contributions may be addressed to Lewis L. Clarke, treasurer, 111 East Fifty-ninth street, New York City.

### CHINA'S ATTITUDE TOWARD HER STARVING MILLIONS

Writing from Kaifeng, China, Warren W. Cline, Y. M. C. A. secretary, says that to attempt to tell about general famine conditions would mean only a poor repetition of what America already knows.

But important developments in the situation which are not brought out in the daily press will be of interest to everyone concerned in the spread of Christianity, and friends of the Y. M. C. A. will be especially glad to know of the part played by association secretaries.

"The famine grew steadily worse early last winter," writes Mr. Cline, "until late in January the responsible Chinese of the country decided to conduct, with the help of foreigners, a nationwide campaign for funds to match to some extent the generous aid that has been coming from America and other nations."

"The Kaifeng Y. M. C. A. was asked by the Provincial committee to undertake the responsibility of organizing and managing the drive in Honan Province.

"Our returns would not seem large to you friends in America, accustomed to campaigns running into the hundreds of millions, but you must bear in mind the traditional attitude of the Chinese.

"A famine is the direct act of heaven to keep the population within living limits. To average Chinese the air is peopled with malignant spirits, and to help a person threatened with starvation will only mean that the pursuing devil will take possession of the one attempting to aid.

"Last summer my Chinese teacher was drowned under circumstances which would call for a thorough investigation in America. While no foul play was committed, we would call it criminal negligence had our own people calmly watched a man drown rather than incur the wrath of a devil by daring to save him.

"So when you learn that the largest famine subscription in our province was \$1,266, that over \$600 was collected in pennies and over \$200 in cash (a cash is worth one-tenth of a cent) you will realize the countless numbers of givers, and the new attitude toward giving.

"I was told that the blessed thing about the campaign was not the money received, although that was desperately needed but just this changing attitude on the part of the Chinese. Only the gospel of Christ could do this, and if it continues to spread among this people the time is coming when they will fully realize this responsibility to their own suffering millions, and assume it."

Y. M. C. A. secretaries on furlough from China are giving time to the Famine Relief Fund in America; secretaries and their wives all over China, just as they did in Kaifeng, are working far beyond their strength, but the situation is desperate enough to demand it.

### CO-OPERATIVE MOVEMENT SHOWS RAPID GROWTH

Springfield, Ill., May 17.—The rapid growth of the co-operative movement in Illinois was indicated here today by John H. Walker, who reported that the central States Co-operative Wholesale Society, formed three years ago with \$310 capital had today a capital of \$800,000 and was operating 50 stores in the state. He added that there were in addition more than 100 smaller co-operative societies doing much of their buying from the wholesale society.

These co-operative activities are chiefly within the ranks of organized labor and particularly among the coal miners of the state. They are largely the outcome of Mr. Walker's activity in promoting co-operation while president of the Illinois State Federation of Labor. He is also president of the wholesale co-operative society.

Mr. Walker said that the success of the co-operative movement in Illinois among organized labor is recognized to such an extent that imitators are creeping in.

### CAN'T SELECT OWN HOME IN RUSSIA

Riga—Choice of a home is not permitted in the land of Bolsheviki according to persons reaching here from Russia. Everything belongs to the government which assigns living quarters. Special barracks have been assigned to persons from America as Soviet authorities consider them

unreliable rebels that must be kept apart from others. Everybody knows these "Americans" by their sad faces and dismal silence. They do not answer if spoken to in Russian, but their faces brighten if some one appears who knows English, and especially the American vernacular. Don't you speak English? is their first question, followed

quickly by the inevitable second: "Is there any way to get back to America?" But there is no way out, for Russia is locked from within.

WEAR-EVER ALUMINUM TRADE MARK

# Fordson

For thirty-five years Henry Ford, a farmer's boy, has been working on the problem of a successful tractor for the farm, and for the past fourteen years has devoted much time and a vast amount of money to the development of the present Fordson Tractor. Today that Tractor is in use on nearly 200,000 farms and if you have any doubt as to the satisfaction it gives to those who are using it, call in and get the booklet, just issued by the Ford Motor Company, and called "The Tractor at Work" and read the testimony which is there given by the multitude of owners of Fordson Tractors. No evidence can be more conclusive than that of the man who actually knows by personal experience and this is the line of testimony carried in this little booklet. There is no cost for this booklet. If you cannot call for it, write, drop us a postal, and we will mail it to you without charge. It is so valuable you ought to have it because it is the open door through which the farmer will pass from the hard working drudge to the comparative comfort of the manufacturer. The Fordson makes it possible for the farmer to plan and direct, while the machine will do the work. It presents the widest latitude for the farmer to exercise his brain power and plan how he can get the most from the soil, knowing that the Tractor will do the hard work, do it better, do it quicker, and therefore do it more profitably. This means not alone in the cultivation of the soil, in the harvesting of the crops, but in a hundred and one different demands that are made for labor, cutting of ensilage and the filling of the silo; cutting of wood; operation of the washing machine; in the lighting of the house with electricity; supplying the house with running water; bringing to the farmer's wife and daughters the conveniences of the city, relieving them of much of the hard, unpleasant part of housework.

## Daily Market Report

## WHEAT MARKET

**CLOSE WAS FLURRIED**  
By Associated Press.

CHICAGO, May 24.—Crop  
failure news from Nebraska  
sent the wheat market soaring  
today, although earlier a decided  
break in values had taken place.  
The close was flurried, 5 1/4c to  
7c net higher with May \$1.73 1/4  
to \$1.73 3/4. Corn 2 1/4 to 3c and oats  
2 1/4 to 3 1/4c. In provisions the  
outcome varied from unchanged  
figures to 10c advance.

Reports that the Nebraska  
wheat crop is showing the same  
morbidity dislocation that has of  
late been characteristic in Kansas  
brought above a wave of buying  
after midday and made sellers  
hard to find. The central and  
western parts of Nebraska were  
said to be especially affected and  
to be making no improvement  
where there had been favorable  
weather conditions heat and  
drought which prevailed over the  
greater part of the wheat belt  
counted further as an incentive  
toward higher prices at the last  
for in the morning the majority  
of traders were misled by tem-  
porary coolness and by forecasts  
of showers. The May delivery in  
particular fluctuated over an un-  
usually wide range, a maximum  
of 13 1/4c, but business in that  
month was relatively small. Scat-  
terd shorts bid up May notwith-  
standing that cash wheat was  
commanding only about a de-  
livery basis for most grades.

Corn and oats ascended with  
wheat. Trade in corn showed  
much more activity than has  
been the rule of late.

In provisions the effect of low-  
er quotations on hogs was more  
than counterbalanced at the last  
by the strength in wheat.

**SEVERAL ISSUES**  
**HIT LOW MARK**  
By Associated Press.

NEW YORK, May 24.—Re-  
adjustment of quoted values in  
conformity with suspended or  
reduced dividends made further  
progress in the stock market to-  
day. A wide variety of issues  
mainly speculative established  
lowest records for a year or  
more. Among the shares which  
entered the list of non-dividend  
payers were Central Leather pre-  
ferred and Remington Typewriter  
first and second preferred.

Central Leather preferred made  
an extreme decline of 3 1/2 points,  
the common losing 3 1/2.

Remington Typewriter lost 7 1/2  
and Baldwin Locomotive, Harvester,  
Bethlehem, Lackawanna and  
Crucible Steels, Pierce Arrow,  
American Woolen, Royal Dutch,  
California Petroleum and several  
of the minor rails and special-  
ties were impaired by 2 to 6  
points. In a vast majority of  
cases final quotations were at or  
within fractions of the day's low.

Sales amounted to 800,000  
shares.

The money market reversed its  
usual course, opening easy but  
rising to 7 per cent for call loans  
before midday. This was attrib-  
uted to heavy withdrawals by the  
federal reserve bank, necessitating  
calling of loans. Foreign ex-  
change heavy at the outset, but  
strengthened on news of the  
Silesian truce. Liberty 3 1/8 ex-  
ceeded all previous minimums at  
\$87.70 and others of the group  
were irregular. Some foreign  
issues were strengthened by the  
probable success of the new  
French offerings, but the general  
tone of the bond list was un-  
certain. Total sales (par value)  
\$14,750,000.
